Burnham,2003-12 **Apologetics in 3D** Peter S. Williams,2021-09-03 This collection of papers and other materials from English philosopher Peter S Williams develops a holistic vision for Christian apologetics centered around a biblical understanding of spirituality Grounded in two decades of practical experience here is a vision of apologetics that s interested in communicating through beauty and goodness as well as logic and arguments Redeeming Philosophy Vern S. Poythress,2014-10-31 Who am I Why am I here Where do I find meaning Life is full of big questions The study of philosophy seeks answers to such questions In his latest book prolific author Vern Poythress investigates the foundations and limitations of Western philosophy sketching a distinctly Christian approach to answering basic questions about the nature of humanity the existence of God the search for meaning and the basis for morality For Christians eager to engage with the timeless philosophical issues that have perplexed men and women for millennia this is the place to begin *Coach Wooden One-On-One* John Wooden,Jay Carty,2009-10-01 This book of 60 daily readings is the result of one on one conversations between basketball s legendary coach and teacher John Wooden and Jay Carty former Laker and one time Wooden assistant Each of the two page readings contains life wisdom from the Coach application and reflection from Jay and a daily Scripture reading and prayer **Beginning Apologetics 1** Jim Burnham,Steve Wood,2004-12 *Mormons and Christianity* Harold Lerch,2026-03-16 This book examines the distinctions between Christianity and The Church of Jesus Christ of Latter day Saints highlighting the significance of understanding their respective beliefs The perspectives regarding God and scripture differ considerably between Christians and members of the Latter day Saints resulting in notable theological divergences In mainstream Christianity Jesus Christ is recognized as the central figure and as one of the three persons of God Conversely The Church of Jesus Christ of Latter day Saints holds a distinct interpretation of Jesus These differing viewpoints hold important implications for adherents beliefs about eternity **Biblical Mysteries Revealed** Harold Lerch,2025-12-10 Today so called experts on television documentaries cannot understand simple biblical problems They question where all the water would go after a global flood and they assert that there is no evidence for a global flood They ask how the Ark of the Covenant could cause the walls of Jericho to fall down Numerous biblical accounts present challenges for modern readers seeking scientific understanding or interpretation However our current understanding does not fully explain how early civilizations achieved feats such as constructing the pyramids of Egypt building Stonehenge or establishing extensive urban centers in South America How then can we comprehend the actions of a supernatural God The answers are found in the Bible For example the Ark of the Covenant did not possess power it merely represented the omnipotence of our supernatural God This book provides explanations for challenging questions Born Again Harold Lerch,2025-09-24 This book is intended to explain an often misunderstood term Born Again What does it mean and why do some people identify as born again The origin of the term came when an important Jewish man named Nicodemus asked Jesus about salvation Jesus replied You must be born again This concept is at the root of salvation But why do we need to be saved What was the cause Is the Bible true

There are many unusual stories told in the Bible Are we expected to blindly believe them This book attempts to answer these questions as plainly as possible This book also shows the reader how he or she can live eternally in Heaven **Hope for Israel** Harold Lerch,2026-01-16 Is it possible to decide which of the many faiths on Earth is the true religion We can apply logic science and history to reveal it Our review includes the following Does God exist Is He the creator of the Universe Does He have a plan Has He worked miracles on Earth Is one Race of man His favorite and does He care for others Is there a life after death In this book we will answer these questions We will learn that the Jews are God s Chosen People Salvation exists for them and God has provided a means of Salvation for the rest of us as well **The Publishers Weekly** ,1900 London Quarterly Review ,1895 Johnson's Universal Cyclopaedia Charles Kendall Adams,1893 *The Intercollegian* Young Men's Christian Associations of North America.
