Understanding Social Problems 2nd Ed:

Understanding Social Problems Linda A. Mooney, David Knox, M. Morgan Holmes, Caroline Schacht, 2015-01-02
Written from a distinctly Canadian point of view *Understanding Social Problems* Fifth Canadian Edition examines how the structure and culture of societies contribute to social problems and their consequences The text includes researched pedagogical features that ensure that readers elevate their thinking about the topic of social problems in Canada and around the globe This Fifth edition is comprehensive in its coverage progressing from micro to macro levels of analysis It focuses first on problems of health care drug use and crime and then broadens to the widening concerns of population health and welfare science and technology large scale inequality and environmental problems Known for its inclusive approach *Understanding Social Problems* Fifth Canadian Edition explores powerful stories of real life people struggling with the challenges society and its problems have thrust upon them *Understanding Social Problems* Linda A. Mooney, 2001

Brief History of Social Problems Frank J. McVeigh, Loreen Therese Wolfer, 2004 In this book Frank McVeigh and Loreen Wolfer take an historical approach to examine the causes and conflicts behind ten major social problems that have existed for nearly 230 years Using a critical thinking perspective of the history sociology politics and economics of the period the authors analyze social problems as a series of conflicts between those with power and those who were at one time virtually powerless Embedded in this analysis is a discussion of how the shift from a Gemeinschaft to Gesellschaft society has influenced how we address these problems Using these themes McVeigh and Wolfer provide thought provoking insight into the ways individuals groups and social institutions change over time gaining or losing power The book contains a preface by Arthur Shostak Drexel University *Understanding Social Problems* Donald H. Zimmerman, D. Lawrence Wieder, Siu Zimmerman, 1976 *The Limits of Idealism* Melvyn L. Fein, 1999-10-31 This book demonstrates how and why morality can result in extremist behavior and advocates what the author calls critical idealism as a way of life The author discusses radical elements of the feminist civil rights and medicalist movements as examples of the contemporary drift toward intolerance and incivility and demonstrates how idealism can contribute to misleading and dangerous behavior in some cases but in the right hands can result in positive social action **Understanding Social Problems** Albert Schaffer, 1970 Textbook analysing the sociological aspects of social problems in the USA and the impact of the social structure thereon examines the distribution of power the need for social change racial discrimination public welfare programmes the problem of health care and limited health insurance the role of the Church the housing situation social policy and social planning References *Encyclopedia of Social Problems* Vincent N. Parrillo, 2008-05-22 From terrorism to social inequality and from health care to environmental issues social problems affect us all The Encyclopedia will offer an interdisciplinary perspective into these and many other social problems that are a continuing concern in our lives whether we confront them on a personal local regional national or global level **Social Problems in Africa** Apollo Rwomire, 2001-07-30 Despite the recent growth of research on social

problems facing the people of sub Saharan Africa there remains a critical lack of conceptual epistemological and empirical research and documentation This sophisticated new book attempts to fill that gap by synthesizing interpreting and extending the existing literature on conditions that constitute serious impediments to socio economic development in Africa It provides an original and up to date survey of key problems ranging from poverty and inequality to violence and crime The contributors all of whom have lived or worked in Africa show how social problems emerge how they are defined and how various actors attempt to deal with them This timely book provides a much needed analysis of the major issues and debates regarding the dynamics of social problems in the African context Social Problems in Africa is broken into four parts The first introduces readers to the nature of social problems in general and provides a framework for analyzing and understanding social problems in an African context Part II on culture human rights and democracy examines these crucial aspects of social problems in Africa as well as issues such as language and colonialism Part III focuses on poverty and inequality while conflict and violence is the focus of Part IV Together the chapters in this volume provide the most comprehensive and systematic approach to the issues available bringing much needed attention to the problems in Africa from the perspective of scholars who have lived and worked there

Social Issues in Living Color Arthur W. Blume, 2017-02-16 Offering fresh and exciting approaches to solving global problems this book creatively views challenging social issues through the lens of racial and ethnic psychology As the demographic makeup of the American population continues to evolve understanding and addressing the psychological needs of ethnic minorities in the United States becomes more important to the overall health and well being of society This three volume set is the first publication to explicitly tackle social issues from the perspective of racial and ethnic psychology It uniquely presents racial and ethnic psychological perspectives on topics such as media criminal justice racism climate change gender bias and health and mental health disparities Volume one introduces readers to the basic scientific concepts of racial and ethnic minority psychology and then examines the intersectionality of race ethnicity gender and sexual orientation It also addresses how race and ethnicity affect communication styles leadership styles and media The second volume discusses the experiences of individuals within racial and ethnic minorities including overt racism covert racism and colonialism and addresses how ethnic minority psychology plays a role in our educational system poverty global climate change and sustainability The third volume covers ethics in health and research considers the causes of health and mental health disparities and identifies diversity initiatives that can improve the health and well being of all citizens not just racial and ethnic minority citizens

Fifty Educational Books of 1923 American Library Association, 1924

Social Problems and Inequality John Alessio, 2016-04-01 Social Problems and Inequality explores integrated and root cause based explanations of complex social problems Written in clear and understandable language allowing it to be used for classroom purposes it addresses the most fundamental principles of how humans acting through social units create and eventually can remedy social problems With a central focus on the problem of inequality and the manner in which this is manifested in crime

social class and stratification this book examines the key theoretical perspectives relevant to the study and solution of social problems whilst drawing upon rich illustrations and case studies from the US and Europe to offer a thorough examination of the nature common root causes and social remedies of social problems Providing discussions of both theoretical approaches and concrete applications **Social Problems and Inequality** investigates the sources of various prejudices and attitudes that contribute to social problems and the associated issues of globalization economic greed and imperialism Accessible in style and comprehensive in its coverage this book will appeal to students and scholars of social problems across the social sciences

Book Review Index Cumulation Dana Ferguson,2005-09 Book Review Index provides quick access to reviews of books periodicals books on tape and electronic media representing a wide range of popular academic and professional interests The up to date coverage wide scope and inclusion of citations for both newly published and older materials make Book Review Index an exceptionally useful reference tool More than 600 publications are indexed including journals and national general interest publications and newspapers Book Review Index is available in a three issue subscription covering the current year or as an annual cumulation covering the past year *Handbook of Constructionist Research* James A. Holstein,Jaber F.

Gubrium,2008-01-01 Constructionism has become one of the most popular research approaches in the social sciences But until now little attention has been given to the conceptual and methodological underpinnings of the constructionist stance and the remarkable diversity within the field This cutting edge handbook brings together a dazzling array of scholars to review the foundations of constructionist research how it is put into practice in multiple disciplines and where it may be headed in the future The volume critically examines the analytic frameworks strategies of inquiry and methodological choices that together form the mosaic of contemporary constructionism making it an authoritative reference for anyone interested in conducting research in a constructionist vein *Sixty Educational Books ... 192* American Library Association,1924

Understanding Social Deviance John Curra,1994 [The Cumulative Book Index](#) ,1994 A world list of books in the English language **Social Problems** D. Stanley Eitzen,Maxine Baca Zinn,2004 After years of diplomatic isolation Syria is emerging from the cold Its government is a key Middle Eastern player and will be a major element of any possible comprehensive Middle Eastern peace deal To visit Syria is to become acquainted with one of the most rewarding destinations in the Middle East Its historic attractions are stunning and the Syrians are proud and gracious hosts you can expect to be treated like a person and not just a tourist Of course there are always thorns with the roses Syria s economy is inefficient and its youth are frustrated the strong man political system that has held the country together does not encourage public intellectual life but nor does it prevent young Syrians from debating with passion in private The Syrian sense of tradition has preserved some of the bad along with the good and society remains highly patriarchal Despite such drawbacks this is a country that s rich not only in resources but also and especially in its people American author Sarah Standish looks at Syria s long history and its present day political realities She describes the many subgroups that make up the population as well as

what unites all Syrians She offers practical tips for traveling and on what to expect when conducting business You ll learn how people communicate with each other and how you can communicate with them The Syrians will never stop surprising you get to know a few and they will turn the stereotypes inside out several times over **Pamphlet Publications** Joseph Lewis Wheeler,1906 **American Book Publishing Record** ,2004 Social Problems Joel M. Charon,2002 A unique and groundbreaking collection of 58 articles organized in 13 thematic sections that takes a structural conflict approach yet lets the voices of those impacted by social problems be heard The articles are a mix of classic and contemporary readings that cover a wide range of issues in the United States and the world The introductory article written by the author focuses on four questions that students are urged to apply throughout the reader What is the problem What makes the problem a social problem What causes the problem What can be done This Four Questions approach gives students a consistent sociological framework within which to analyze social problems The articles have been painstakingly selected to hold student interest highlight contemporary social problems and help professors show students how to think sociologically about the social problems around us
