## SPARK ACTION - How To Lead Change

## The Future of Work: Leaders Succeed in Disruption

Do you want to become a leader in the future of work? The future of work is full of disruption and change. To succeed in this new environment, you need to be a leader who can navigate uncertainty and inspire your team to embrace change. This guide provides 8 leadership habits that will help you lead your team through the future of work.

**1. Be a role model**  
Your team will look to you for guidance and inspiration. Make sure you are modeling the behaviors you want to see in your team. This includes being open to change, taking responsibility, and empowering your team.

**2. Communicate clearly**  
Clear communication is essential for leading your team through change. Make sure you are communicating the vision, the goals, and the expectations of your team. Use a variety of communication channels to reach your team, and make sure you are listening to their feedback.

**3. Listen to your team**  
Your team is your greatest asset. Listen to their concerns, their ideas, and their feedback. This will help you to understand their needs and to make decisions that are in their best interests.

**4. Set clear expectations**  
Your team needs to know what you expect of them. Set clear expectations for their performance, their behavior, and their communication. Make sure you are consistent in your expectations and that you are holding your team accountable.

**5. Be consistent**  
Consistency is key to leading your team through change. Make sure you are consistent in your actions, your words, and your expectations. This will help your team to understand what you value and to trust your leadership.

**6. Take responsibility**  
As a leader, you are responsible for the success or failure of your team. Take responsibility for your actions and for the actions of your team. This will help you to build trust and to earn the respect of your team.

**7. Empower your team**  
Your team needs to feel empowered to take ownership of their work and to make decisions. Give your team the authority and the resources they need to succeed. This will help you to build a team that is resilient and that can navigate the future of work.

*The Future of Training in Psychotherapy and Counselling* John Rowan,2014-02-25 The Future of Training in Psychotherapy and Counselling presents a revealing and stimulating account of the current state of training that demonstrates how training will have to adapt if it is to successfully meet the needs and challenges of the future In an attempt to look afresh at the whole question of training John Rowan proposes that there are three ways of doing therapy and any examination of training has to consider each of these the instrumental where the main emphasis is on the treating the client or patient the authentic way where the main emphasis is on meeting the client or patient the transpersonal way where main emphasis is on linking with the client in a more personal way Each approach makes different assumptions about the self

about the relationship and about the level of consciousness involved in doing therapy By challenging the basic precepts of traditional training John Rowan encourages the reader to reconsider subjects including the difference between counselling and psychotherapy culture and ethics the origins of disturbance in clients and child development The Future of Training in Psychotherapy and Counselling provides a much needed new perspective that will compel all psychotherapists and counsellors to take a closer look at training in the field
