Smartform Series Handbook:

The SmartForm Series Handbook Dan Shafer, Don Huntington, 1989 This book is much more than a basic user's guide. Along with the process of forms design and specific techniques to use it discusses using the built-in programming functions to add intelligence to form designs, tutorials for constructing typical business forms that don't require programming, and a gallery of forms and form segments.

Armstrong's Handbook of Performance Management Michael Armstrong, 2009-09-03 In this radically updated new edition Michael Armstrong looks at the results of major research in this area. He considers how evidence-based material informs understanding of the position performance management has reached and provides practical guidance on how this evidence can be interpreted and applied. Armstrong's Handbook of Performance Management includes 9 brand new chapters covering important developments in this area, including critiques of performance management, coaching, new performance management models, and a performance management toolkit. Additional online resources are provided for both lecturers and students.

The Illustrated Handbook of Desktop Publishing and Typesetting Michael L. Kleper, 1990 The first edition of this highly acclaimed book has emerged as the standard reference in the field of desktop publishing. With its well-organized coverage of typesetting, how-to, trade terminology and practices, and hardware and software options in the Macintosh and IBM PC environments, it has become an invaluable aid to first-time users and experienced professionals everywhere. Now Michael Kleper has expanded his coverage with new material on creative software tools and utilities, facsimile technology, electronic imaging, the latest in printers and other output devices, pre-press operations, and necessary user skills. All of this and a completely revised listing of information sources ensure that this handbook will remain the most comprehensive work of its kind.
