E. Schlosser,2016-07-01 Here we have a collection of unnerving tales of events that happened and still do happen in the collective back yard of the Deep South states Accompanied by evocative illustrations these compelling retellings of 40 popular folktales feature supernatural occurrences and ghosts of all sorts from fiddling ghosts to the story of the Jack o Lantern Whether read around the fire on a dark and stormy night or in the backseat of the family van on the way to Grandma s each expertly told tale is guaranteed to make readers look at the South and over their shoulders again and again Say You're One of Them Uwem Akpan,2008-06-09 An Oprah s Book Club selection this electrifying book Washington Post pays tribute to the wisdom and resilience of children even in the face of the most agonizing circumstances Uwem Akpan s stunning stories humanize the perils of poverty and violence so piercingly that few readers will feel they ve ever encountered Africa so immediately The eight year old narrator of An Ex Mas Feast needs only enough money to buy books and pay fees in order to attend school Even when his twelve year old sister takes to the streets to raise these meager funds his dream can t be granted Food comes first His family lives in a street shanty in Nairobi Kenya but their way of both loving and taking

advantage of each other strikes a universal chord In the second of his stories published in a New Yorker special fiction issue Akpan takes us far beyond what we thought we knew about the tribal conflict in Rwanda The story is told by a young girl who with her little brother witnesses the worst possible scenario between parents They are asked to do the previously unimaginable in order to protect their children This singular collection will also take the reader inside Nigeria Benin and Ethiopia revealing in beautiful prose the harsh consequences for children of life in Africa Akpan s voice is a literary miracle rendering lives of almost unimaginable deprivation and terror into stories that are nothing short of transcendent One of the best books of the year Wall Street Journal People Bloomberg News Christian Science Monitor Washington Post Book World and Entertainment Weekly Just Imagine Michael Sutton,2011-06-09 **The Epic Adventures of Whiz Grass and Poot Berry** Frank,Church,Aloura Barnas,2011-10-14 As you should have guessed by the title this is not the standard bedtime story with a princess and a prince and an evil stepparent and some sort of magic spell Not one castle nor trolls not even an enchanted forest is tucked with loving care into this bedtime story To be totally honest about the whole shebang its not so much a bedtime story as a bedtime epic event An explanation may be in order right about now There are 30 Adventures in this saga to be read in order as bedtime stories No skipping around mind you because it will make even less sense if you do that so when you get to the Temple of the Belchmonkeys and your mind is not totally prepared for it well thats a whole different bucket of pickles altogether And you could rip through more than one story in a night but that might just make your kids loopy 30 Adventures 30 nights so youre pretty much covered for a month Now somebodys going to screech that some months have 31 days thanks May and October and you other troublemakers for screwing this up and so you have a day left over And theres some real hollering going on about the February problem and how if you read this story during that month even during a leap year you still have extra story left over The thing is the story is 30 nights long because its a nice round number unlike 31 which is prime for crying out loud and thats how long the story takes to tell So there The important idea is that this is an interactive story Not a passive story where your kid lays there like an unfortunate lump on the mattress and you yammer on until you bore the poor child to sleep This story has a narrator reading the action lines thats you sport There are also 21 different voices in the tale all of which youll have fun doing Even better let your child read along and read a voice or two The full list of voices is on the next few pages plus what we think they sound like although you can change them pretty much any way you want Its not like were keeping score Also you will find action lines sprinkled throughout Youll recognize these because theyre in italics so they look like theyre in motion hence we call them action lines and they instruct you or your offspring to do certain things Be nice and gentle since youll have to start a pillow fight in Adventure 1 Remember youre bigger Play nice *Adventure* ,1916 *Dialogue Cutting Continuities* Metro-Goldwyn-Mayer,1930 The collection contains the Metro Goldwyn Mayer Corporation dialogue cutting continuity scripts arranged chronologically by production date Each script provides a cut by cut description of all camera shots including the movement of camera and actors within shot dialogue
