The Writing Program Writing 120 121 Course:

Developing Successful College Writing Programs Edward M. White, 1989-01-30 This book tells how to develop and administer a comprehensive college writing program to improve student writing promote critical thinking and strengthen the overall collegiate curriculum *Resources in Education*, 1976 *Tracing the Impact of First-Year Writing* Laura Wilder, 2024-11-15 Tracing the Impact of First Year Writing presents the results of a large scale longitudinal study of college writers that explores the impact of a required first year writing course with a comparative approach not previously available Over five years Laura Wilder conducted 143 interviews with and collected 774 pages of writing from 58 students half of whom had taken a new first year writing course and half who had not Wilder found that while in many ways the experiences of both groups are comparable demonstrating how students receive valuable educations in rhetoric and writing from a variety of sources beyond a first year writing course students who took the first year writing course were much more likely to identify as writers This identification supported students use of writing in powerfully generative and knowledge building ways that they carried with them long after the course into other appropriate contexts In contrast to previous longitudinal studies of college writers undertaken at institutions with high prestige and resources Tracing the Impact of First Year Writing explores the role of writing at a regional public university and documents how students experiences with writing can be highly divergent across the curriculum and unequal across campuses Additionally this book includes the voices of students who do not identify as capable writers and have strongly negative emotional reactions to writing and writing instruction and adds empirical support to innovative calls in the field to transform the first year writing course into one that inspires students to reflectively consider writing itself *Introduction to the Teaching of Writing* Stephen N. Judy, Susan J. Judy, 1981 *A History of Professional Writing Instruction in American Colleges* Katherine H. Adams, 1993 A chronicle of the history of college writing programs that emphasizes the common roots of courses in creative writing journalism technical and business writing and advanced composition providing an overview of the origins of American professional or advanced writing instruction a new phenomenon *The Latest and Best of TESS*, 1991 **Bulletin** University of Minnesota, 1919 [Service Bulletin of the FREC](#) Federal Radio Education Committee, 1939 *Minnesota Course of Study for Elementary Schools and Manual for Teachers* Minnesota.
