The Gospel According to Christ Mark A. Stelter,2011-11-14 Christianity is in crisis We live in a time when millions of people profoundly misunderstand the message of the Gospel They believe that being a Christian means little more than being a nice person They view Jesus as a wise moral teacher who showed us how to live better lives and they conclude that the love of humanity is our greatest cause and its progress our primary purpose Whatever else may be said of this view of Christianity it is certainly not what Jesus taught It is an attempt to replace the concepts of sin redemption and salvation

with the more socially acceptable virtues of tolerance compassion and social progress It elevates humanity and the world above God and his kingdom and reduces Jesus to a mere moral philosopher But who did Jesus say he was What was the essential message of Christ The Gospel According to Christ answers those questions by examining the words of Jesus in their context and in their entirety The answers will be shocking to many Christians *What Really Counts for Women* Thomas Nelson Publishers,2005-11-08 A handbook on setting your spiritual priorities straight filled with inspirational stories thought provoking quotes and life changing Scripture verses Meaning Purpose Calling Vision Whatever you name it we are all searching for something that matters Something that counts We want to know that we re concentrating on the right things and that we re not missing the point What Really Counts for Women tackles twenty two areas of significance to women including God Love Wisdom Purpose Health and explores what matters most in each of them answering questions like What are the basic truths and What is most important With introductions meditations and directed journaling sections on each topic women will embark on an interactive journey to discover not only what really counts but also what doesn t further drawing focus to their purposes within the context of God s call for them *Become What You Are* William W.
