

SONNET 116

Let me not to the marriage of true minds
Admit impediments. Love is not love
Which alters when it alteration finds,
Or bends with the remover to remove.
O no! it is an ever-fixed mark
That looks on tempests and is never shaken,
It is the star to every wand'ring bark,
Whose worth's unknown,
although his height be taken,
Lovers not Time's fool,
though rosy lips and cheeks
Within his bending sickle's compass come,
Love alters not with his brief hours and weeks,
But bears it out even to the edge of doom.
If this be error and upon me prov'd,
I never writ, nor no man ever lov'd.

Captive Victors Heather Dubrow,2019-05-15 Drawing both on the tenets of classical rhetoric and on contemporary critical theory Heather Dubrow here offers a bold and persuasive reading of Shakespeare's nondramatic poems She calls into question prevailing critical views of Venus and Adonis The Rape of Lucrece and the sonnets and asserts that in these poems Shakespeare uses rhetoric with great subtlety and force to effect characterizations as rich in psychological and moral complexities as those found in the plays

Poems in Captivity (Classic Reprint) John Still,2016-08-30 Excerpt from Poems in Captivity N the long years of captivity in Turkey where each one of us was driven to seek inside himself some alleviation of the daily dullness many of us there found things we had not suspected to exist For to find distraction we were thrown back more upon our own creative powers and were helped less by our surroundings than ever is the case in normal life Some found the wit to write plays and others the talent to play them Some discovered the power to draw and one at least found much music in his mental storehouse Some developed into expert carpenters and others less profitably into hardly less expert splitters of hairs I Some found in others a depth of kindness more durable I think than the depths of hate this war has generated I found these verses all of which were written there and their discovery made more happy many of the eleven hundred and seventy nine days I spent as a prisoner of war Few there were who found no resource and they perhaps found the more endurance About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
