

UGC Limiteds

Roblox now allows User-Generated Content (UGC) to be "limited", with some similarities to classic Roblox limiteds. UGC limiteds can have limited quantities, and can be resold by users after a holding period of up to 30 days.

New UGC limiteds will be added here shortly after they are released.

Adulthood Manfred Liebel,Philip Meade,2026-03-10 Despite global advances in children s rights young people are routinely disregarded overpowered and excluded This persistent discrimination known as adulthood permeates family life education urban design legal systems and political discourse In this groundbreaking book the authors provide a comprehensive introduction to adulthood from an academic perspective while also emphasising its practical implications Drawing on rich real world examples and research they analyse it as a systemic form of discrimination exploring how it evolved and is reproduced through language institutions and everyday practices Timely accessible and urgent this book offers a vision for resistance and transformation outlining how adulthood can be challenged by both adults and young people to co create a more equitable future *Public Discourse and the Fashion Industry* Natalia Berger,2026-02-24 This

book explores what happens when fashion discourse migrates from specialised media to mainstream newspapers Analysis of 2 263 texts across five Dutch and international case studies animal welfare disability repair practices smart wearables and metaverse fashion demonstrates systematic reversal instead of creating desire it provokes aversion instead of fostering inclusion it reinforces marginalisation instead of encouraging creativity it stokes speculative investment appetites Drawing on Barthes s semiology of fashion Foucault s discourse theory and Lotman s concept of the semiosphere the book introduces critical discursive matrix analysis as a method for examining fashion at its periphery The findings reveal that when fashion intersects with social issues in mainstream media it becomes colonised by other discursive systems medical civic technology and financial while fashion industry voices retreat replaced by NGOs activists and technology companies pursuing non fashion agendas The volume provides insights into why sustainability efforts fail despite awareness how media representation shapes consumer behaviour and why fashion discourse cannot evolve within its commercial framework Public Discourse and the Fashion Industry will engage a diverse audience including fashion studies scholars discourse analysts media researchers sustainability practitioners policymakers fashion industry strategists and communication specialists
