**King Solomon's Empire: The Rise, Fall, and Modern-Day Influence of an Iron-Age Ruler** Archie W. N. Roy PhD, Margaret P. Roy, 2022-10-18 King Solomon is known as the wisest and richest man to have ever lived but who was this man really Even though we read his words in the Bible this man who was the son of the man after God s own heart remains a mystery to this day Even his death is veiled in conspiracy theories How could a man who was granted his greatest wish by God Himself be so enamored with the pleasures of this world hungry for sex power and more wealth In King Solomon s Empire Archie and Margaret Roy take an in depth look into the life of the wise king and the kingdom he led Through this study the reader will come to understand the time in which King Solomon ruled enter into the temple that he built for his God and follow his path to a life of striving after wind While the mystery still remains unsolved perhaps the reader will come to learn some lessons from the man and avoid some of the pitfalls in their own life as there is truly nothing new under the sun

**Pharaohs of the Bible (Mizraim to Shishak)** Eve Clarity, 2012 Pharaohs of the Bible Mizraim to Shishak proves the Biblical history is accurate It explains how over 200 pharaohs of the 1st 17th dynasties reigned during only 600 years between Noah s flood and Joseph s famine This breakthrough book intertwines the history of the Old Testament with the archaeological facts and events of Egypt the Levant and the cultures around the Mediterranean Sea By correlating facts of famines in Egypt with the Bible several major connections were made For example thirty huge temporary silos were constructed at Tell el Daba Avaris soon after Ahmose I conquered it connecting Ahmose I with Joseph s 7 year famine and the huge grain silos in Boeotia Greece Hundreds of black and white maps charts and pictures simplify the complexity and immensity of the data to enable readers to follow God s remarkable revelation of history

**The Making of Manners and Morals in Twelfth-Century England** Fiona Whelan, 2017-01-12 How different are we from those in the past Or how different do we think we are from those in the past Medieval people were more dirty and unhygienic than us as novels TV and film would have us believe but how much truth is there in this notion This book seeks to challenge some of these preconceptions by examining medieval society through rules of conduct and specifically through the lens of a medieval Latin text entitled The Book of the Civilised Man or Urbanus magnus which is attributed to Daniel of Beccles Urbanus magnus is a twelfth century poem of almost 3 000 lines which comprehensively surveys the day to day life of medieval society including issues such as moral behaviour friendship marriage hospitality table manners and diet Currently it is a neglected source for the social and cultural history of daily life in medieval England but by incorporating modern ideas of disgust and taboo and merging anthropology sociology and archaeology with history this book aims to bring it to the fore and to show that medieval people did have standards of behaviour Although they may seem remote to modern civilised people there is both continuity and change in human behaviour throughout the centuries
