Spirit Level Poems:

The Spirit Level Seamus Heaney, 1996-06-30 In this collection as ever with Heaney personal memory and humble domestic objects a whitewash brush a sofa a swing are endowed with talismanic significance and throughout the collection he addresses his growing concerns which inevitably include the political situation in his native Northern Ireland in a poetry that never ceases to be fluid alert and completely truthful **Spirit Level and Other Poems** Christopher

Morley, 1946-02-05 The Spirit Level Seamus Heaney, 1996-06-30 In this collection as ever with Heaney personal memory and humble domestic objects a whitewash brush a sofa a swing are endowed with talismanic significance and throughout the collection he addresses his growing concerns which inevitably include **Spirit Level and Other Poems** Anthony

Conran, 1974 **The Spirit Level** David Barber, 1995 Winner of the Terrence Des Pres Prize for Poetry The Spirit Level is the first collection by an exciting new voice in American poetry Representing the world as a place of feverish energies David Barber creates a virtuoso tension between playful sometimes flamboyant diction and the seriousness of his concerns Balance and grace but also wit and verbal energy and a deft hand at shaping the poem make Barber's first book a superb debut

The Cambridge Companion to Irish Poets Gerald Dawe, 2018 A fresh accessible and authoritative study that conveys the richness and diversity of Irish poets their lives and times *Spirit Level* Bonnie Cochrane Hirsch, 2023 **Selected Literary Essays 1984-2025** Rajeev Patke, 2025-09-28 The book consists of a selection of journal articles and book chapters presented at many international conferences and published in academic journals and books from the UK the US India Japan Europe and Singapore Spirit Level Marcelle Freiman, 2021-11 Geologists and archaeologists use spirit level tools to find horizontal levels in ground or rock Similarly the poems in Spirit Level search for elusive balance points between memory and lived terrain between past and present lives between grief and enlightenment They are connecting threads of lived and familial histories often perceived through remembered or exigent visual portals This is Marcelle Freiman's third book of 37 new poems a number of which have been published in well known Australian literary journals There are poems using longer forms or sequences exploring the fragmented nature of human experience making patterns and story from lives in the present or those which are lost Other shorter lyric forms articulate shards of memory and perception Throughout the book themes of loss seek a balance against moments of light **Slightly Magical Irish Poetry and the Long 1990s** Lucy

McDiarmid, 2025-10-31 *Slightly Magical Irish Poetry and the Long 1990s* is a major intervention in the field of Irish literary studies disrupting conventional divisions and interpretive categories mixing established poets and new ones and including poems in English and Irish McDiarmid argues convincingly for the importance of the ontologically ambiguous or slightly magical mode in recent Irish poetry She brings her wealth of knowledge in the field of Irish literary and cultural criticism to bear on subjects as whimsical as cats railroad reveries and hair and as serious as political critiques of both Irelands during the upheavals of the 1990s Drawing on the author's conversations with the poets themselves the book is written in a style

that is witty and learned sophisticated but always accessible **Bessie Graham's Bookman's Manual** ,1954 *Seamus Heaney at Work with Tools and Metaphors* Thomas Getz,2007 *Poetry Wales* ,1996 **Poetry** Jayne E. Marek,1998
