Cooke,2005-03-01 The human body is a signal sending code receiving record holding instinct feeling still voice hearing Spirit led DNA which is coded to God through the blood Through this code we can all hear and feel the call of God for our lives But the stain of sin in the human flesh blocks out this signal When Jesus died for us the DNA of His blood was made available to re code us and to give us a new DNA Believe it or not the prime root of our salvation is in the blood Every one of us has a destiny to which we were called by God before the foundations of the world Most never discover their true purpose and destiny But time is coming to a close and God is calling us all to shed the stain of sin and step into that for which we were created Learn how to get free of the bad blood in your life to become a Spirit led DNA saint of God Find and fulfill your destiny by understanding the mysteries of the blood and the spiritual realm Spirit Led Devotional Sebe Dalieh,2014-10-02 Since life is filled with tasks challenges circumstances and opportunities you need the Spirit of God for a clear direction Don t just do business as usual God has given you the ability to win in every area of your life You are God s workmanship don t get caught chasing the wind you were meant to soar and the Spirit of God can make you do that effortlessly It s time to be Spirit led Let the Holy Spirit help you navigate through life In this Devotional you will learn how to relax and let the Holy Spirit express the character of Jesus Christ through you instead of trying so hard to do it for Him You will receive Inspirational messages Scripture Verses and Spirit Filled Prayers that will strengthen and uplift you and you will gain the confidence to rest in the finish works of Jesus Christ while trusting God fully through the power of His word

Clonenstein Gary B. Cooke,2010-09-30 Clonenstein was given to me by God as a revelation of things to come There is a quest for immortality in the flesh I wrote as I saw it in Clonenstein Mary Shelley saw it in 1818 in her book Frankenstein I believe cloning will come to pass one day How did I get such an insight of the future Back when I was twenty two my room was glowing one night about midnight I woke up to see a cherub angel hovering over the bed There was a glowing light coming from this angel I reached up and touched the cherub to see if it was real A shock hit me and I passed out Ever since then I can hear and see things I heard a voice telling me what to write in this book and how to tie it into the first book I wrote Spirit Led DNA I have had out of body experiences An angel would come and take me to places and show me things to come I wrote of this angel in the book Read and see into the future Clonenstein is a life story of true love adventure mystery horror and resurrections of the dead See for yourself in Clonenstein **Spirit-Led Evangelism** Ché Ahn,2008-05 Most Christians know they should share their faith in Jesus Christ with unbelievers but not everyone is on the same footing Some hardly know where to start Others move with confidence but want to explore areas of greater effectiveness In the body of Christ the call to evangelism is clear but the gifting is different Now available in trade paper Spirit Led Evangelism helps remove any barriers to answering that call With practical teaching and personal illustrations Ch Ahn explains the priority of evangelism and equips readers to move to higher levels of success With a special emphasis on power evangelism this book helps both

Traore, 2025-07 DNA of a Daughter by Dramane Traore is a prophetic unveiling of the divine identity beauty and authority of women who walk in their heavenly origin Far from cultural definitions and religious limitations this book calls daughters of God to discover who they truly are not by biology or tradition but by divine design Traore declares that womanhood in the Kingdom is not secondary silent or sidelined it is powerful holy and fully commissioned to express the image of God In this revelatory work Traore explores the spiritual blueprint of a daughter of God exposing the lies that have long distorted her worth and awakening her to the incorruptible seed within A daughter is not defined by her wounds her past or her place in society she is defined by the One who formed her filled her and sent her She carries not only favor and grace but divine intelligence strength and spiritual authority DNA of a Daughter is not merely encouragement it is impartation It restores dignity where shame has lived boldness where fear has ruled and clarity where confusion has lingered Traore lifts the voice of the Kingdom woman and reveals her place not at the edge but at the center of God's redemptive move This is a call to daughters to rise not as servants of religion but as carriers of glory those whose DNA reveals heaven on earth
