she s training to become a primary school teacher but there s one problem she hasn t been able to pass her maths exam yet and if she fails it one more time she ll have to drop out The two very different girls share one passion makeup and Mya has been a fan of Amber s channel for years a big fan What starts as an unexpected chat in a store followed by an anonymous gift from Mya turns much more complicated when Amber might be the only one able to help Mya pass her maths exam Amber has no idea Mya sent her the makeup and Mya doesn t know how to tell Amber without ruining everything breaking the fragile trust between them
