**The Wizard Lord** Lawrence Watt-Evans, 2006-03-07 The Wizard Lord's duty is to keep the world in its delicate balance He must govern lightly to protect his domain from power hungry interlopers such as certain wizards who previously fought to rule the world But if the Wizard Lord himself strays from the way of the just then it is up to the Chosen to intercede The Chosen ones are the Leader the Seer the Swordsman the Beauty the Thief the Scholar the Archer and the Speaker Each are magically infused mortal individuals who for the term of their service have only one function to be available to remove an errant Wizard Lord whether by persuasion or by stronger means Breaker a young man of ambition has taken the mantle of Swordsman from its former bearer who wished to retire Never did he realize that he would be called to duty so quickly or that the balance of power in his world would be so precarious He had a duty to perform A world to save So why does he still have doubts not just about himself but about the entire balance of power
