## **Therese And Isabelle:**

Therese and Isabelle Violette Leduc, Sophie Lewis, 2015-03 Therese and Isabelle is the tale of two boarding school girls in love In 1966 when it was originally published in France the text was censored because of its explicit depiction of young homosexuality With this publication the original unexpurgated text a stunning literary portrayal of female desire and sexuality is available to a US audience for the first time Included is an afterword by Michael Lucey professor of French and comparative literature at the University of California Berkeley

Violette Leduc Alex Hughes, 1994 This study which reads Leduc's narratives from a feminist and psychoanalytic perspective has a double focus Part One scrutinizes the intricacies of her treatment of feminine bonding seeking to bring new insights inspired inter alia by theorists such as Melanie Klein Freud and Luce Irigaray to bear on her representations of mother daughter and lesbian relations Part Two examines Leduc's use of language in Therese et Isabelle probing the extent to which this novella contains examples of feminist and or feminine discourse By exploring Leduc's lyrical evocation of feminine homosexuality from both a gender related and a more traditional formalist standpoint the writer exposes the limitations of a purely feminist approach to her work

*The Pleasures of the Text* Elizabeth Locey, 2002-01-15 Why was Violette Leduc's 1954 novel Therese et Isabelle not published in its entirety until November 2000 Under threat of scandal and obscenity charges French publisher Gallimard withheld the novel but Leduc continued to write of her life as a woman writer in wartime Paris frankly depicting her own and imagined lesbian experiences Mentored by Simone de Beauvoir and a contemporary of French twentieth century luminaries Sartre Camus Genet and Cocteau Leduc is however known best as France's great unknown writer In *The Pleasures of the Text* Elizabeth Locey restores Leduc to her rightful place in the canon bringing to light her singular and important contributions to contemporary literary theory Locey reads Leduc's works from the perspective of reader seduction which erodes the divide between body and text Situating Leduc within a continuum with Emma Bovary and Roland Barthes at its extremes Locey investigates Leduc's use of the erotic touch look and voice to seduce her readers More than an accessible introduction to an overlooked writer *The Pleasures of the Text* confronts and challenges the philosophical debate between pornography and erotica and pins down some of the often slippery ways pleasure is mapped onto the body of the reader
