Trumans Angel:

Truman's Angel Chuck Rohde,2005-05-01 Capturing a piece of endless probability even in a governed universe of wonderful absolutes Truman s Angel is an unparalleled Christian science fiction It is not fantasy horror or smut cloaked in technology but instead is pure and clean speculation of what our future could be if God sees fit to prolong our days into the twenty eighth century Opening in a future revolt of Creationists against the mandatory acceptance of evolution our story hovers within the boundaries of biblical absolutes Taking us off our little planet from time to time our hero encounters aliens exotic scenery romance believable technology and even angels in unlikely form All are gathered to express the much larger scheme of God s total creation This story is designed to imagine the action of our true mission of sharing God s love from a position of submission and dependence even in the self assured face of extreme technological advancement Crazy in Love Crystal B. Bright,2017-10-17 Back on top R B singer Chantel Evans had it all until the Princess of Love Ballads lost everything First a very public betrayal by her lover and the death of her mother lead to a career ending mental breakdown Then at the same time her attorney makes off with all her hard earned fortune The only chance she has of resurrecting her career is in the recording studio her mother left in her name When struggling country star Truman Woodley has his recording duet with a sultry young singer fall flat at Chantel s studio Chantel is faced with a rare second chance until Truman s vindictive ex girlfriend turns the pair s sparkling debut into grounds for a custody battle over their son But Chantel has discovered more than sweet vocal harmony with Truman She s found something worth fighting for And when Truman surprises her with a kiss after a live television performance the whole world will find out just what it takes to be crazy in love Praise for Crystal B Bright Engaging characters you want to get to know better Library Journal on The Look of Love
