Empath
Marianne Gracie, 2017-05-24

EMPATH: A SPIRITUAL EMOTIONAL HEALING GUIDE TO PERSONAL TRANSFORMATION FOR HIGHLY SENSITIVE PEOPLE

Are you unfulfilled in life? Do things never seem to go your way? Or have you struggled overcoming your past? This may be true for many of us, but empaths often have an even harder time trying to turn their lives around. This is simply because empaths feel everything deeper. So any trauma or emotional wounds they have suffered stay with them and can be harder to clear. When these past hurts remain with us, it makes us feel stuck and unhappy. This book was written following the success of Marianne's first book, *Empath Healing*, but this title builds upon her previous work by delving even deeper into helping empaths and highly sensitive people heal themselves once and for all. Being overly sensitive to everything can feel like a drag, but this is because we're not harnessing the true power of this special gift. Only by finally healing ourselves can we learn to embrace and love our natural feeling ability, which can move us forward into living the life of our dreams. Highly sensitive people can become so accustomed to feeling the energy of others that it distracts them from feeling their own loving energy. This title, *Empath*, includes Deep emotional and Spiritual healing for empaths, Increasing self-love, Personal transformation for sensitive people, Advanced strategies for handling energy and emotions, Empath daily supplements, and much more. The main purpose of this book is to empower empaths on their journey of life. Pick up a copy
