The Crown:

The Crown Nancy Bilyeau, 2012-01-10 Leaving her Dominican Order to stand by a cousin who has been condemned to death by Henry VIII novice Joanna Stafford and her father are arrested and ordered by the Bishop of Winchester to recover a religious artifact believed to hold a sacred power

In the Shadow of the Crown Jean Plaidy, 2009-01-21 As Henry VIII's only child the future seemed golden for Princess Mary She was the daughter of Henry's first queen Katharine of Aragon and was heir presumptive to the throne of England Red haired like her father she was also intelligent and deeply religious like her staunchly Catholic mother But her father's ill fated love for Anne Boleyn would shatter Mary's life forever The father who had once adored her was now intent on having a male heir at all costs He divorced her mother and at the age of twelve Mary was banished from her father's presence stripped of her royal title and replaced by his other children first Elizabeth then Edward Worst of all she never saw her beloved mother again Katharine was exiled too and died soon after Lonely and miserable Mary turned for comfort to the religion that had sustained her mother In a stroke of fate however Henry's much longed for son died in his teens leaving Mary the legitimate heir to the throne It was she felt a sign from God proof that England should return to the Catholic Church Swayed by fanatical advisors and her own religious fervor Mary made horrific examples of those who failed to embrace the Church earning her the immortal nickname Bloody Mary She was married only once to her Spanish cousin Philip II a loveless and childless marriage that brought her to the edge of madness With In the Shadow of the Crown Jean Plaidy brings to life the dark story of a queen whose road to the throne was paved with sorrow
