The Wonky Witch:

The Wonky Witch , The Wonky Witch & Other Stories in Rhyme Jane Edmond,1998 **The Wonky Witch** Becky Titelman,2005-08 For millions of people who are diagnosed with cancer their first reaction is that they just received their death sentence That reaction leads to a life of isolation dependence and often misery for the cancer patient One man refused to let that happen He had a job he loved as a newspaper editor a house to take care of and at 41 years old a lot more years of life to live So on the same night he was diagnosed with what would become a constant battle with cancer he resolved to maintain a positive attitude He would use that attitude to guide him through thirteen months of surgeries as well as the physical torture of chemotherapy and radiation and the emotional torture of MRIs and body scans This editor was a busy guy in April 2002 when he was diagnosed with lung cancer and quite frankly he didn't have time for the disease In one of the most inspiring books about living with cancer author Tom Canavan opens the doors to his life and takes readers on the journey through his darkest period *I Don't Have Time for This My Battle with Cancer* is the story of a man who refused to surrender any part of his life while waging war against his illness It is the story of a man who turns to his younger brother an oncologist who guides him along the road to remission *I Don't Have Time for This* is a book every cancer patient should want to read to assure themselves that life can be just as happy and fulfilling even after the diagnosis The book also is recommended reading for families of cancer patients who can find understanding in what their loved ones are enduring following surgery and during radiation and chemotherapy treatments Finally it is the story of one man's strength courage and heroism in the face of so many obstacles that the readers of his newspapers have labeled him an inspiration to so many people *The Wonky Witch and the Wizard-Napping* Becky Titelman,2016-06-06 It's only been a few weeks since Maude Sinks and her best friend Adair Tiptoe have returned home from their first year at Abracadabra Academy a school of magic Already there are evil powers lurking around their neighborhood The two friends are on edge the whole summer after coming face to face with their new enemies When their second year of school begins Maude and Adair have challenges ahead There is a new Black Magic class Wizard Wallop is becoming an official Abracadabra game and they are struggling to gain their Flying Certificates Balancing studying and fighting evil isn't easy and after discovering the wicked Wonky Wizard Society is planning to capture someone the two second years are plunged into a battle filled with with a nasty potion messages in the sky a cat that isn't quite what he seems and an old and dangerous wand Will Maude and Adair figure out who the society plans to kidnap before it's too late Or will the Wonky Wizard Society pull off their latest scheme to gain more power *The Wonky Witch and the Witching Well* Becky Titelman,2016-06-11 A wonderful summer lies before Maude Sinks and her two best friends Adair Tiptoe and Ben Evolence and they plan to take full advantage of it before entering their third year of magic school at Abracadabra Academy With no sightings of evil wizards lurking about the three friends enjoy their blissful afternoons together But when they discover an odd card in Ben's Wuzzy Card collection they become curious to find

Witch's Soul Emma L. Adams, Being the sole survivor of a notorious witch coven who dealt in forbidden magic isn't as fun as it sounds I might have stopped an evil spirit from taking over my body but now another rogue necromancer is on the loose harnessing power by sacrificing innocent humans Even with the help of the necromancer guild and my friends it quickly becomes clear that the enemy is too elusive to find with the guild's usual methods When a spirit line turns off the situation turns lethal The killer has set his sights on both me and the dark spirit who shares my body and the only way to catch him is to tap into my forbidden Hemlock magic again But if the wrong person finds out the spirit exists I'll face instant execution assuming the killer doesn't get there first A heart pounding urban fantasy series set in a magical version of Edinburgh featuring suspense mystery and slow burn romance for fans of KM Shea Helen Harper and Keri Arthur

The December Witches Jennifer Claessen, 2024-11-07 The conclusion to the A Month of Magic trilogy December is Clemmie Merlyn's favourite month as it usually begins with birthday cake and gifts But as she turns thirteen it begins with a bang Clemmie and Clemmie alone amongst all witches is full of magic So full of magic she might not make it to the end of the month As the snow spirals down anxious Clemmie and the young hags will have to find some way to stop her exploding Because someone or something has chosen Clemmie and made her their One True Witch But magic is meant to be shared and no one can survive being filled to the brim with starry power Can the Merlyn and Morgan covens finally take on the ancient twisted magic of their ancestors And can they do it in time for Christmas Praise for A Month of Magic This explores big complicated feelings about identity and finding your place in the world and is packed full of cosy seasonal details Anna James A fresh take on witches that is sure to leave readers spellbound Katie Tsang There's real magic in this story the magic of transformation and enchantment and extraordinary events but also the magic of family and family
