Dennis Moore,2016-08-29 Welcome to the Writer s Workbook which is I have to admit a pretty selfish publication The templates in this book are the ones I use all the time in writing my own stories and tracking my sales I was tired of going through legal pad after legal pad and moleskin after moleskin and realized I could just publish them in book form and have them all in one place And as long as I m doing that for myself I might as well make them available to any other writers who want to use them So if you re looking for an easy way to keep all the details of your characters straight or a handy place to keep track of your publication or writing goals or an easy way to track how many words you write a day in total or by session as well as an easy to use spreadsheet for tracking daily sales and don t want to have to subscribe to some app on a monthly basis to do it The Writer s Workbook may be what you re looking for And hey if there are any templates you d like to see that I haven t thought of drop me a line at www.cdennismoore.com and let me know A quick note on the templates in this book First up are the Character Sketches which I ve been using for over 20 years in helping me to define my characters before I ever start writing Next up are Goals something we all need especially as writers Use these pages to help set project deadlines or to keep track of upcoming projects The Notes pages I ll be using when I plot out the stories I m writing And I ll use the pages that follow those to keep track of how many words I write every day Finally there are 100 pages I ll use to track my sales on a daily basis I hope you get as much use from this book as I will CDM The PLAIN ENGLISH Writer's Workbook Sandy Tritt,2017-12-28 The PLAIN ENGLISH Writer s
