Try Anything Twice:

I'll Try Anything Twice Fred Russell, 1946 *I'll Try Anything Twice* Carly Schwartz, 2026-03-10 For readers who wish Eat Pray Love had a cynical streak comes this propulsive wildly original memoir about a journalist's quest to conquer depression and addiction set against the backdrop of international adventures and modern communal living Through the eyes of others Carly Schwartz seems to have everything going for her top editor at the world's biggest news site fancy college degree a seemingly endless parade of friends and parties But she's been struggling with crippling suicidal depression since she was a teenager and by her late twenties she has learned to cope with a steady diet of drugs alcohol and unavailable men Then she meets a charismatic guy who invites her to move to the mysterious sustainable town he's building in the Panamanian jungle As Carly chases her appetite for adventure down to the equator she ends up consumed by a darkness she can no longer hide from And when she finally conjures the courage to confront her demons she finds help where she least expects it Equal parts hilarious and heart wrenching I'll Try Anything Twice is a vivid and vulnerable portrayal of the search for belonging the definition of success and the risks we're willing to take in order to learn how to love ourselves
