The Eternal Values Hugo Münsterberg,1909 *The Eternal Values* Hugo Munsterberg,2014-03 This Is A New Release Of The Original 1909 Edition [The Eternal Values](#) Hugo Munsterberg,2013-09 This historic book may have numerous typos and missing text Purchasers can usually download a free scanned copy of the original book without typos from the publisher Not indexed Not illustrated 1909 edition Excerpt CHAPTER XI THE VALUES OF DEVELOPMENT Everything which we have considered so far was lying before us finished and completed when we evaluated it It was something entirely given which was valuable in its existence in its connection in its unity in its beauty But that which is to be valuable for its development s sake gains the value just in its transition from the given to the not given It is not being but becoming Experience alone is not sufficient there the deed is needed As soon as the deed is performed the development completed we have again only something which is finished and as such it can again claim only the value of connection no longer the special value of development Such becoming may go on in the outer world in the fellow world and in the inner world and the inner forming may be absolutely valuable even where the deed is done without any conscious evaluation On the other hand the valuable deed may subordinate itself to a conscious purpose it then becomes an achievement Such purposive intentional realization of values meant to us civilization Hence the values of achievement are values of civilization the values of development are immediate values of life Both belong intimately together Civilization carries on in the values of achievement what is enclosed in the values of development in naive experience Thus they are related to each other like the values of existence and of connection or the values of unity and of beauty The values of achievement Which civilization upbuilds are those of industry of law and of morality We must study them carefully later but our next step must be to inquire into those life values when is the becoming which does not aim to be a real achievement yet absolutely *Eternal Values in Religion* James Bissett Pratt,1950 **The Eternal Values** William Ralph Inge,1933 *The Five Eternal Values* Christopher Alan Anderson,2012-09-18 A listing and explanation of the eternal values which permeate our lives and when brought to consciousness anchor successful thought and action [Humanics The Humanicsonomics](#) Munayem Mayenin,2019-05-07 Humanics The Humanicsonomics calls the world and world humanity towards rising for a state of humanity where all humans are at liberty and in equality under the law in natural justice where one is in and for all and all is in and for one and the entire humanity has grown into a real one humanity physiology that is constructed by each and every human soul making a cell in that physiology in which each one is as infinitely valuable necessary and vital as all others and in which all exist as one for all and all for one **Teacher in Emerging Indian Society** Srivastava,2006 **Ripe Life** C. The Pinnacle of Holiness D. L. Anderson,2013-02-28 There's more to inheriting eternal life than what many of us have been told Depending upon your level of spiritual commitment this statement may or may not mean anything to you But it means everything to me Why It is because eternal life represents the progressive alternative to endless death the only other potential final destination of my soul Therefore as the soul shall subsist forever securing eternal life should be the primary objective of every progressive existence At the same time many have been deceived into believing that inheriting eternal life is as easy as saying a simple prayer or having an undeveloped meager level of faith Still the reality is that inheriting eternal life i e the greatest prize of all time will naturally require the greatest investment of all time a life dedicated to the will of the Father which is the basis of progressive spiritualism Accordingly the scriptures teach us For whosoever will save his life shall lose it and whosoever will lose his life for my sake shall find it For what is a man profited if he shall gain the whole world and lose his own soul Or what shall a man give in exchange for his soul See Matthew 16 25 26 In my opinion any honest person would come to this conclusion and would rightfully as well as willfully desire to make the necessary investment required to obtain the prize of eternal life The problem is that many honest believers havent been told the whole story and are preparing to go to the Judgment with many of their works undone Consequently the question of the hour is simply this what more is there to the story Conclusively the answers to this inquiry are found within this volume of *The Pinnacle of Holiness* Building off the former volume which provides a high level description of the path which leads to eternal life this volume will focus on providing detailed information about the path Thus it should be viewed as a spiritual training manual which each sojourner soldier can employ to ensure that they are abiding by every criterion associated with inheriting eternal life In the end and

with regards to the delicate matter of eternal life the most critical factors are the instructions which the Father has revealed to us by His Spirit and recorded within His Word Definitely these spiritual and scriptural disclosures are contained within this volume As the scriptures have said And thine ears shall hear a word behind thee saying This is the way walk ye in it when ye turn to the right hand and when ye turn to the left
