The Way to Write for Children Outlet, Outlet Book Company Staff, Random House Value Publishing Staff, 1989-01-01

Philosophy in Children's Literature Peter Costello, 2011-12-29 This book allows philosophers literary theorists and education specialists to come together to offer a series of readings on works of children's literature Each of their readings is focused on pairing a particular popular picture book or a chapter book with philosophical texts or themes The book has three sections the first on picturebooks the second on chapter books and the third on two sets of paired readings of two very popular picturebooks By means of its three sections the book sets forth as its goal to show how philosophy can be helpful in reappraising books aimed at children from early childhood on Particularly in the third section the book emphasizes how philosophy can help to multiply the type of interpretative stances that are possible when readers listen again to what they thought they knew so well The kinds of questions this book raises are the following How are children's books already anticipating or articulating philosophical problems and discussions How does children's literature work by means of philosophical puzzles or language games What do children's books reveal about the existential situation the child reader faces In posing and answering these kinds of questions the readings within the book thus intersect with recent developing scholarship in children's literature studies as well as in the psychology and philosophy of childhood

How To Write a Children's Book HowExpert, Catherine Thompson, 2020-01-25 If you want to write a children's book then get *How to Write a Children's Book* by a person with real life experience and knowledge in this topic If you have ever wanted to write a true children's classic then you must dive into a child's mind to see what makes them tick Within the pages of this guide all your questions will be expertly answered in a way that is simple and easy to read Follow along and discover how a children's story is written from finding out what a child prefers to read to getting the most from your marketing efforts Every aspect from beginning to end is covered within the pages of this guide Understand why some children's books such as a Dr Seuss classic succeed while other seemingly well written children's books fail Within this guide you will understand what components of a story make up a children's story and how to keep the child interested in reading your book The guide does not stop there After you have a quality book written follow the steps to bring your book to market and have children reading it from every corner of the globe You can have the best book ever written but if nobody knows about it it will go unread Avoid the pitfalls of many writers and follow these steps Children's book author Rusty W Baker and his series of children's books have successfully done every step that he references in this guide Take it from someone that has already been there You need this guide About the Expert Rusty W Baker has several short children's stories to his credit His most notable of children's stories is the Peter Porcupine series He wrote his first story when he was just a child in the 2nd grade of elementary school about an alien encounter and employed his older brother to illustrate the short story for him He is a father of 7 children 3 grandchildren and an Uncle to 28 children His dive into the psychological aspect of any age range of children far surpasses his years In this guide you will be able to tap into his experiences with what children like and what they will read He has successfully written illustrated published marketed and sold all of his short stories through various online bookstores and is currently working on a contract with a major publisher name withheld by request HowExpert publishes quick how to guides on all topics from A to Z by everyday experts

[How To Write a Children's Book](#) Debra Griffin, 2019-04-20 Writing for children is one of the most enjoyable things to do It is fun and easy it gives you an opportunity to touch the lives of young children and adults in a memorable way Writing for children opens up your imagination and colors your world in a way that only creative thinking and writing can do In this book *How To Write A Children's Book* the author has laid out an easy to use format for writing The great thing about this book is that it gives you the format for writing a children's book as you go The steps in this book are cumulative allowing you to work on your book at any pace you desire Life gets busy so this book gives you an easy way to still have a book on the way in spite of a busy life The author children's books can be found at amazon.com author debragriffin I have written 10 stories and have more stored up to be written This kit gives a format for storing information which ultimately stimulates creative juices www.amazon.com/author/debragriffin
