The Widow's Web E.M. Albano, 2008-02-11 The Widows Web is a story that carries several messages Love is not diminished by wealth nor is it protected The house gift was written to demonstrate parental love that carries no price tag Doug Harrison s presentation of the gift was written with personal empathy The story also reminds us that while we may plan our futures destiny often intervenes and takes us to a new path where the sun has not traveled but where there can be comfort in the far off sounds of a bird singing to the forest Andrea s voyage to a far off land was as much of a surprise to her as it is to the reader

Widows, Pariahs, and Bayadères Binita Mehta, 2002 This book analyzes how French dramatists reproduced certain images of India such as the burning widow the lowly pariah or untouchable and the exotic bayadere or dancing girl in four plays and one ballet written from the eighteenth century through the twentieth centuries Addressing questions of Orientalism the book also argues that it was because the French lost their Indian colonies to the Briish in the eighteenth centuries that India became a part of the French literary imagination
