The Prayer Warrior's Way Trimm Cindy, 2024-10-14 FROM THE BEST SELLING AUTHOR OF RULES OF ENGAGEMENT There is a conversation that has been going on long before this universe was created A conversation taking place in the spiritual realm In the Garden of Eden Adam and Eve were part of it Throughout the history of humanity others have joined it and there is something buried in each of our hearts that tells us we were created to be part of it as well We long for it We yearn to be in on it But despite giving our lives to Christ and being born again in the Spirit we don t always know how to plug into it So we stay in earth s chat rooms rather than praying from heaven s throne room Even Jesus disciples did not ask Him how to preach but how to pray The Prayer Warrior s Way is a practical guide for praying enabling you to become versed in the basics necessary for talking to and hearing from God for yourself Following the revolutionary prayer model Jesus gave to His disciples Cindy Trimm gives you the keys to joining the most important conversation in the universe Race, Transnationalism, and Nineteenth-Century American Literary Studies Robert S. Genius in Bondage Vincent Carretta, Philip Gould, 2014-10-17 Until fairly recently critical studies and anthologies of African American literature generally began with the 1830s and 1840s Yet there was an active and lively transatlantic black literary tradition as early as the 1760s *Genius in Bondage* situates this literature in its own historical terms rather than treating it as a sort of prologue to later African American writings The contributors address the shifting meanings of race and gender during this period explore how black identity was cultivated within a capitalist economy discuss the impact of Christian religion and the Enlightenment on definitions of freedom and liberty and identify ways in which black literature both engaged with and rebelled against Anglo American culture
