temporary work helping an elderly widow write her memoir When a runaway former student asks Sophia to help her avoid an unwanted marriage both of them could be ruined The last thing Sophia needs is her employer s handsome nephew poking his patrician nose into her secrets Vincent Viscount Fairfax is on his way to Italy He plans a quick detour to check on his aunt to dispel the rumors of ghosts roaming his aunt s seaside estate and then he ll be off again But he didn t count on his aunt s intriguing new employee a petite bluestocking who seems to be hiding something though it isn t her talent playing the pianoforte or angelic singing voice Is she connected to the ghostly activity As Vincent and Sophia engage in playful banter and musical duets their connection deepens Vincent believes this could be the prelude to something more but he s just passing through Unwilling to betray her student Sophia tries to resist Vincent s charm He s on his way to Italy and as soon as the memoir is complete she will be on her way to employment far away from this manor by the sea It will break her heart to leave but she doesn t see a future for a bluestocking teacher and a viscount no matter how much he makes her heart sing In this lighthearted Regency romance love and laughter mingle with secrets and intrigue A slow burn strangers to friends to lovers story with more humor than heat just a little too naughty to call it sweet Author s note This story does not follow the current trend of the hero and heroine meeting in the first scene Or even the first chapter But when they do meet well I wrote the entire story around that scene Heat level 3 10
