The Lie Evolution:

Lie: Evolution, The (25th Anniversary Edition) Ken Ham, 1987-07-01 The Bible prophetically warns that in the last days false teachers will introduce destructive lies among the people Their purpose is to bring God's truth into disrepute and to exploit believers by telling them made up and imagined stories see 2 Pet 2:1-3 Such a lie is among us that lie is evolution Today many laypeople ministers and Christian educators are powerless in their presentation of the gospel They have rejected Genesis the foundation of biblical doctrine They have believed the modern origins myth evolution If you believe that Genesis is not important to presenting the Gospel This book is for you If you believe that what you think about Genesis does not affect you personally This book is for you If you believe that evolution can be made to fit the Bible This book is for you If you are a witnessing Christian seeking to bring the gospel to this spiritually drifting world This book is for you *The Lie* Ken Ham, 2024-09-15 Christianity is Under Massive Attack How will you and the coming generations stand firm and uphold the truth of God's Word when the culture is forcefully demanding you believe lies In this updated edition of *The Lie Unraveling the Myth of Evolution Millions of Years* Ken Ham exposes how the acceptance of evolution and millions of years has eroded belief in God as Creator This issue is crucial to understanding modern worldview dilemmas including gender and sexuality abortion racism and the mass exodus from the church Why is the Christian church losing ground in its battle with the secular world Thousands of church leaders are nearing a dangerous precipice the denial of the Bible's full authority and accuracy from its very first verse Originally published in 1987 *The Lie* boldly predicted this trend This compelling book is a must read for all Christians providing crucial answers to common questions from unbelievers and offering advice for parents preparing their children to face a rebellious secular world Chapters include *Crumbling Foundations The Evil Fruit of Evolutionary Thinking Evangelism in a Pagan World Wake Up Shepherds Creation Flood and Coming Fire* *The Lie* is more than just a book it is a call to action inviting the body of Christ to stand firm in their Christian faith reject the lie of evolution and uphold the truth of God's Word from the very beginning As Romans 1:20-23 NKJV warns those who reject God's truth are without excuse and their hearts are darkened Will you stand firm and uphold the truth of God's Word **The Lie** Ken Ham, 2012 Here is the revised expanded and updated edition for the 25th anniversary year Its message of biblical authority is even more relevant today This anniversary edition is an even more powerful eye opening book for the church Ken Ham once again takes the lead in pointing out the looming precipice that thousands of church leaders are rushing toward a denial of the full authority and accuracy of the Bible from its very first verse Originally published in 1987 *The Lie* took a bold stand which became prophetic Ken warned the church about the destructive effects of compromise with evolutionary millions of years ideas He warned that compromise in Genesis would undermine Scriptural authority in the culture and erode confidence in the infallibility of God's Word Today Christians increasingly doubt the Bible's reliability So then do those who are considering placing their faith in Jesus the Creator The issues are of critical importance when you realize that today we have Christians not only confused

when it comes to Genesis and the age of the earth but now even the reality of hell Adam as a real person and Christ's own words about creation marriage and more One compromise just leads to another and it has to end if we want to leave a legacy of faith to future generations **The Lie** Kevin Ham,1987 The Lie Ken Ham,1987 *The Lie Evolution* Ken Ham,1987
