Frozen Line Rachel Brennan,2026-02-10 The factory owner expected them back by Monday They did not come back Instead they stood outside the gates arms locked refusing to produce another unit until their demands were heard Some strikes failed and broke the workers Others succeeded and broke the system All of them changed something This book examines pivotal labor disputes throughout history From the Match Girls of London to the Flint Sit Down Strike you will learn how ordinary workers with no individual power discovered that collective refusal was the only leverage they had Some of these stories are triumphant Others are tragedies All are instructive The Frozen Line is not nostalgia for a bygone era of labor militancy It is a study of power dynamics that remain relevant In every workplace the question persists who holds leverage and what happens when those without it decide to create their own The production line freezes History moves

How Work Works Michelle P. King,2023-10-10 A unique and revelatory guide to understanding and navigating the unwritten rules of the workplace the key to achieving success finding meaning and staying true to your authentic self in today s business world from the organizational expert and celebrated author of *The Fix* In her two decades researching organizations Michelle King has discovered that people who succeed possess a particularly unique skill They know how workplaces work More specifically to get ahead they do not rely on the often generic and outdated written formal rules that for a century have defined the workplace Instead they have learned to gauge how they should behave and perform by becoming aware of informal and unspoken rules that exist just below the surface rather than formal organizational guidelines In this one of a kind guide King offers her proprietary framework based on over ten years of research and hundreds of employees who reached leadership positions By focusing on five key areas navigating informal networks developing self awareness and awareness of others learning the skills you need to be adaptive to changing conditions getting support for your next promotion and finding meaning and fulfillment at work King teaches every professional how to understand and make these systems work for them and achieve their career ambitions The new world of work requires a new way of working With more people vying for top positions a volatile unpredictable global workplace and an ever evolving landscape it is increasingly important for employees to understand how to negotiate the unspoken and intangible elements of workplace culture In *How Work Works* King dispels old myths and provides keen observations about what it means to find belonging
