OBU, 2020-08-25 The Everlasting Gospels are the Holy Words spoken directly from God's mouth. The voice of The Heavenly Father transcends from His High throne to all mankind to adhere to The Word which created the world in the beginning is now to recreate, reconstruct and reform the entire world and humanity according to The Father's Will as it is done in heaven. The kingdoms of this world have become the Kingdom of our Lord and His Christ and this Working Document is the only Constitution of the New World. The contents of this Everlasting Gospel is a testimony to the fulfillment of the promise of Our Lord Jesus Christ that the Comforter will come to teach all things, lead people to the accurate knowledge of the truth and inform of things to come. John 16:7-14 which has in truth materialised. The Will of Our Heavenly Father is done on earth as it is done in heaven. John 16:7-14. Nevertheless I tell you the truth. It is expedient for you that I go away for if I go not away the Comforter will not come unto you but if I depart I will send him unto you. And when he is come he will reprove the world of sin and of righteousness and of judgment. Of sin because they believe not on me. Of righteousness because I go to my Father and ye see me no more. Of judgment because the prince of this world is judged. I have yet many things to say unto you but ye cannot bear them now. Howbeit when he the Spirit of truth is come he will guide you into all truth for he shall not speak of himself but whatsoever he shall hear that shall he speak and he will shew you things to come. He shall glorify me for he shall receive of mine and shall shew it unto you. His Coming was revealed to many prophets both past and present. Astrologers and scientists are aware of His Omnipotence, Omnipresence and Omniscience. Some try to conceal or ignore the truth while others are confused, disturbed and without the capacity to comprehend. The purpose of this compilation is to reveal the Truth for the salvation of the entire world. The Holy Spirit is personified and His Everlasting Gospels in this Divine Document expatiates and shines greater light on many issues affecting our lives and environments physically, socially and spiritually. The gospels provide answers to questions that have remained unanswered, challenge misconceived doctrines, corrects entrenched wrong beliefs and reframes questions that were hitherto wrongly asked. The maxim which says that a tree is known by its fruit is germane to the Everlasting Gospel as the unparalleled wisdom in its contents affirm that God the Quickening Spirit is on earth directing all the affairs in the world, setting the captives free and fulfilling His promises. God has answered the plea in the Lord's Prayer as nominated in the Holy Bible: "Thy Kingdom come, thy will be done on earth as it is done in heaven." That Kingdom has come. It is the Brotherhood of the Cross and Star, a Kingdom in reality and in practice with God Himself as the foundation and Head of the Monarchy. The government is theocratic and Love is the law. The Holy Spirit is warning everyone about the need to turn a new leaf and begin to love one another and all creation of God to escape the impending predicaments and calamities already befalling the world and especially the final judgement of God. The Everlasting Gospel Volume 1 is a collection of some

of the numerous Gospels and Bible Lectures delivered daily and sometimes twice daily every day of the year by the Holy Spirit personified in Leader Olumba Olumba Obu over a period spanning over forty years The Gospels are delivered in the E k dialect and interpreted into other languages including English by human interpreters Interpreting E k to English is a challenging task as E k is a complex language with a lot of nuances and contexts The priority of the interpreters is to as much as possible provide the English equivalents of the gospels being delivered and not try to contextualize or second guess the meaning

The Outlook ,1896 Dao Companion to Chinese Buddhist Philosophy Youru Wang,Sandra A. Wawrytko,2019-01-31 Too often Buddhism has been subjected to the

Procrustean box of western thought whereby it is stretched to fit fixed categories or had essential aspects lopped off to accommodate vastly different cultural norms and aims After several generations of scholarly discussion in English speaking communities it is time to move to the next hermeneutical stage Buddhist philosophy must be liberated from the confines of a quasi religious stereotype and judged on its own merits Hence this work will approach Chinese Buddhism as a philosophical tradition in its own right not as an historical after thought nor as an occasion for comparative discussions that assume the west alone sets the standards for or is the origin of philosophy and its methodologies Viewed within their own context Chinese Buddhist philosophers have much to contribute to a wide range of philosophical concerns including metaphysics epistemology ethics philosophy of language philosophy of mind and philosophy of religion even though Western divisions of philosophy may not exhaust the rich contents of Chinese Buddhist philosophy

Good Words ,1873 **Country Sermons. New Series** Frederick Kuegele,1908 Liberation as Affirmation Ge Ling Shang,2012-02-01 In this book author Ge Ling Shang provides a systematic comparison of original texts by Zhuangzi fourth century BCE and Nietzsche 1844 1900 under the rubric of religiosity to challenge those who have customarily relegated both thinkers to relativism nihilism escapism pessimism or anti religion Shang closely examines Zhuangzi s and Nietzsche s respective critiques of metaphysics morals language knowledge and humanity in general and proposes a conception of the philosophical outlooks of Zhuangzi and Nietzsche as complementary In the creative and vital spirit of Nietzsche as in the tranquil and inward spirit of Zhuangzi Shang argues that a surprisingly similar vision and aspiration toward human liberation and freedom exists one in which spiritual transformation is possible by religiously affirming life in this world as sacred and divine
