## **The Contra Connection:**

The Iran-Contra Connection Jonathan Marshall, Peter Scott, Jane Hunter, 1987 This explosive book lays bare the personalities and institutional relations behind the headlines It goes beyond the recent events to discern the roots of contemporary U S covert activity within the past two decades The Iran Contra Connection delves in to the details of CIA and extra CIA operations including drug trafficking gun running government toppling and assassination The Iran Contra scandal is not merely a plan gone awry the authors argue but a consistent outgrowth of a long tradition of U S covert activity from the Bay of Pigs invasion teams to the NSC organizational team from the CIA and the World Anti Communist League to the Israeli connection and the State Department

**Cocaine Politics** Peter Dale Scott, Jonathan Marshall, 2023-04-28 When the San Jose Mercury News ran a controversial series of stories in 1996 on the relationship between the CIA the Contras and crack they reignited the issue of the intelligence agency s connections to drug trafficking initially brought to light during the Vietnam War and then again by the Iran Contra affair Broad in scope and extensively documented Cocaine Politics shows that under the cover of national security and covert operations the U S government has repeatedly collaborated with and protected major international drug traffickers A new preface discusses developments of the last six years including the Mercury News stories and the public reaction they provoked When the San Jose Mercury News ran a controversial series of stories in 1996 on the relationship between the CIA the Contras and crack they reignited the issue of the intelligence agency s connections to drug trafficking initially brought to li

War On Drugs Alfred W. McCoy, 2021-11-28 Since George Bush declared his war on drugs in 1989 cocaine addiction in America has increased 15% and narcotics have emerged as major commodities from the Third World Focusing on US narcotics policy Latin America s cocaine traffic and Asia s heroin trade the essays in this book offer evidence indicating that the war is not working

Television And The Crisis Of Democracy Douglas Kellner, 2018-02-02 This is one of the best books I ve read on the changing relationship of television to society It provides a very good analysis of theoretical perspectives on television and makes excellent use of critical theory An accessible book that at the same time challenges the reader to think more deeply about the role of television in a formally democratic society Vincent Mosco Carleton University In this pathbreaking study Douglas Kellner offers the most systematic critically informed political and institutional study of television yet published in the United States Focusing on the relationships among television the state and business he traces the history of television broadcasting emphasizing its socioeconomic impact and its growing political power Throughout Kellner evaluates the contradictory influence of television a medium that has clearly served the interests of the powerful but has also dramatized conflicts within society and has on occasion led to valuable social criticism

**Outsourced Empire** Andrew Thomson, 2018-06-20 There has been a shift in the way that we understand the forces behind imperialism In this book Andrew Thomson re evaluates the history of US imperialism from the Cold War to today by looking at the influence of paramilitary actors Thomson reveals how these agents

are central to US imperialism from the Guatemalan coup to the Bay of Pigs from Syrian rebel factions to the Soviet Afghan War bringing these narratives together to reveal the evolution of paramilitary insurgencies across the globe Militias mercenaries and private companies PMCs have formed a central part of the strategies designed to influence political and economic conditions abroad oriented towards the US s Empire Drawing on declassified documents including US training manuals CIA communiqués and the National Security Archive Outsourced Empire reveals new evidence that helps us understand these institutions and their collective role in maintaining global order *The Iran-Contra Connection* Jonathan Marshall, Peter Dale Scott, Jane Hunter, 1987 This explosive book lays bare the personalities and institutional relations behind the headlines It goes beyond the recent events to discern the roots of contemporary U S covert activity within the past two decades The Iran Contra Connection delves in to the details of CIA and extra CIA operations including drug trafficking gun running government toppling and assassination The Iran Contra scandal is not merely a plan gone awry the authors argue but a consistent outgrowth of a long tradition of U S covert activity from the Bay of Pigs invasion teams to the NSC organizational team from the CIA and the World Anti Communist League to the Israeli connection and the State Department
