The Goddesses

David R. Kinsley

The Goddesses:

The Concept of the Goddess Sandra Billington, Miranda Green, 2002-09-11 This volume is an up to date highly readable study of the female aspects of religion both in past and present mythologies It explores the function and nature of goddesses and their cults in many cultures

God and the Goddesses Barbara Newman, 2005-02-15 Contrary to popular belief the medieval religious imagination did not restrict itself to masculine images of God but envisaged the divine in multiple forms In fact the God of medieval Christendom was the Father of only one Son but many daughters including Lady Philosophy Lady Love Dame Nature and Eternal Wisdom God and the Goddesses is a study in medieval imaginative theology examining the numerous daughters of God who appear in allegorical poems theological fictions and the visions of holy women We have tended to understand these deities as mere personifications and poetic figures but that Barbara Newman contends is a mistake These goddesses are neither pagan survivals nor versions of the Great Goddess constructed in archetypal psychology but distinctive creations of the Christian imagination As emanations of the Divine mediators between God and the cosmos embodied universals and ravishing objects of identification and desire medieval goddesses transformed and deepened Christendom s concept of God introducing religious possibilities beyond the ambit of scholastic theology and bringing them to vibrant imaginative life Building a bridge between secular and religious conceptions of allegorized female power Newman advances such questions as whether medieval writers believed in their goddesses and if so in what manner She investigates whether the personifications encountered in poetic fictions can be distinguished from those that appear in religious visions and questions how medieval writers reconcile their statements about the multiple daughters of God with orthodox devotion to the Son of God Furthermore she examines why forms of feminine God talk that strike many Christians today as subversive or heretical did not threaten medieval churchmen Weaving together such disparate texts as the writings of Latin and vernacular poets medieval schoolmen liturgists and male and female mystics and visionaries God and the Goddesses is a direct challenge to modern theologians to reconsider the role of goddesses in the Christian tradition

The Myth of the Goddess Anne Baring, Jules Cashford, 1993-03-25 A comprehensive scholarly accessible study in which the authors draw upon poetry and mythology art and literature archaeology and psychology to show how the myth of the goddess has been lost from our formal Judeo Christian images of the divine They explain what happened to the goddess when and how she was excluded from western culture and the implications of this loss

The Goddesses' Mirror David R. Kinsley, 1989-01-01 Discusses the cultural background and meaning of ten goddesses including Aphrodite Isis Athena Durga Lakshmi and Sita

The Goddess Lindel Barker-Revell, 1997

The Goddesses and Gods of Old Europe Marija Gimbutas, 2007-09 Originally published under the title *God and goddesses of Old Europe 7000 3500 B C*

The Goddesses in Congress at Olympus-on-Spree. [A Satire in Verse on the Proposed Congress on the Eastern Question.] Olympus-on-Spree, 1878

She's All That! Megan E. Bryant, 2009-09-11 Presents a guide to Greek mythology providing profiles of goddesses and the myths

surrounding them **Rebirth of the Goddess** Carol P. Christ, 1997 First published in 1999 Routledge is an imprint of Taylor Francis an informa company *Stories of the Goddess* Marit Clementz, Ingvild Forbord, 2024-05-14 The well known archaeologist Marija Gimbutas found through her excavations and research in Europe from prehistoric times that there have been societies that lived in peace for millennia and where the highest deity was feminine Gimbutas believed women played a central role in the religions and society of what she called ancient Europe In societies where the goddess was the supreme deity life was celebrated not death and men and women were equal People lived in harmony with nature and built their cities on fertile plains The knowledge of a possible peaceful society where the goddess ruled and where the union between man and woman was sacred has made women and men believe that a better world is possible On this background Clementz and Forbord try to find traces of the Great Goddess in symbolism that recurs in myths and fairy tales The book reproduces a selection of these and sheds new light on them with the help of religious historical theory We join the goddess Inanna to the underworld hear the legend of Kuan Yin follow the tracks of the black Madonnas investigate the Grail mysteries look into the Great Goddess of the North and see fairy tales about true love in a new light The interested reader can look forward to many moments of realization in the company of the authors and their interpretations of known and unknown myths and fairy tales all from a female perspective Ingvild Forbord is a teacher with a major in the history of religion Marit Clementz is a teacher and professional storyteller Together they run the Women s Academy which organizes workshops and travels related to the themes in this book They have an online course called Eve s Apples and lead Wise Women Circles online once a month

Whence the Goddesses Miriam Robbins Dexter, 1990 **In the Wake of the Goddesses** Tikva Simone Frymer-Kensky, 1992 Exploring the rich and powerful symbols of religion and culture that have shaped Western thought In the Wake of the Goddesses shows how conceptions of gender and sexuality developed and changed from the goddesses of ancient Mesopotamian civilizations to the one God of Biblical monotheism 8 page insert *Is the Goddess a Feminist?* Alf Hiltebeitel, Kathleen M. Erndl, 2000-11 American and Indian scholars of religion anthropology women s studies and psychology look at the complex relationship between the living worship of female divinities and women in India In keeping with the multiplicity especially of Hinduism but also Buddhism and Jainism the anthology presents a number of sometimes conflicting views rather than a consistent account Only authors are indexed c Book News Inc *The Goddess Path* Kirsty Gallagher, 2024-10-08 Embark on The Goddess Path and discover your Divine Feminine Taking you on a personal and spiritual deep dive this book will lead you on a powerful journey to uncover all that keeps you from living your most authentic purposeful life By walking Kirsty s tried and tested Goddess Path you ll learn how to reclaim your self worth establish boundaries cultivate your intuition step into your feminine power and uncover who you truly are The Goddess Path features 13 easy to follow steps filled with ancient Goddess wisdom across different cultures and countries to help you discover your Divine Feminine and reclaim the Goddess Detailed introductions and guides to all the goddess archetypes Effective self love

and shadow work practices to help you heal your witch and sister wound befriend your shadows and embrace all your seasons and cycles Practical rituals and affirmations to activate the goddess within The Goddess Path Patricia Monaghan,1999 Now you can find more meaning and joy in your life journey inward find the divine and become transformed when you read *The Goddess Path* by Patricia Monaghan *The Goddess Path* can be your guide to speed you on your spiritual quest Think of this book as a signpost on your spiritual travels designed to help you nurture your own connection to the goddess and share in her boundless wisdom Call her into your life with beautiful and ancient invocations Create your own rituals to honor the lessons she has to teach As you ponder life changing questions and venture on brave new experiments you fan the divine spark into flame and in that fire you are transformed *The Goddess Path* includes myths symbols feast days ancient invocations and suggestions for connecting with the following goddesses for these purposes and more Amaterasu for clarity Aphrodite for passion Artemis for protection Athena for strength Brigid for survival The Cailleach for power Demeter and Persephone for initiation Gaia for abundance Hathor for affection Hera for dignity Inanna for inner strength Isis for restorative love Kali for freedom Kuan Yin for mercy The Maenads for ecstasy The Muses for inspiration Oshun for healing love Paivatar for release Pomona for joy Asule and Saules Meita for family health In *The Goddess Path* Monaghan presents a means to work with the goddess using ancient and modern techniques that will thrill and amaze you *Goddesses for Every Day* Julie Loar,2011 Throughout time people have turned to goddesses as symbols of what they seek from abundance to healing from protection to passion Building on the resurgence of interest in the Divine Feminine Julie Loar presents the qualities and origins of an international array of these deities along with powerful suggestions for putting their attributes to practical use In a daily reflection format she gracefully aligns the goddesses with the cycles of nature and the signs of the zodiac If you are struggling to attain a goal call on the Nepalese goddess Chomolungma as the sherpas climbing Mount Everest have done for generations Or for good luck invoke the Roman goddess Fortuna the inspiration behind gambling s wheel of fortune With 366 goddesses to choose from you will find a deity to call upon for every aspiration and need **The Faces of the Goddess** Lotte Motz,1997-08-21 The belief that the earliest humans worshipped a sovereign nurturing maternal earth goddess is a popular one It has been taken up as fact by the media who routinely depict modern goddess worshippers as reviving the ancient religions of our ancestors Feminist scholars contend that in the primordial religions the Great Mother was honored as the primary creative force giving birth to the world granting fertility to both crops and humans and ruling supreme over her family pantheon The peaceful matriarchal farming societies that worshipped her were eventually wiped out or subjugated by nomadic patriarchal warrior tribes such as the early Hebrews who brought their male God to overthrow the Great Mother the first step in the creation and perpetuation of a brutal male dominated society and its attendant oppression and degradation of women In *The Faces of the Goddess* Lotte Motz sets out to test this hypothesis by examining the real female deities of early human cultures She finds no trace of the Great Mother in their myths or in their

worship From the Eskimos of the arctic wasteland whose harsh life even today most closely mirrors the earliest hunter gatherers to the rich cultures of the sunny Fertile Crescent and the islands of Japan Motz looks at a wide range of goddesses who are called Mother or who give birth in their myths She finds that these goddesses have varying origins as ancestor deities animal protectors and other divinities rather than stemming from a common Mother Goddess archetype For instance Sedna the powerful goddess whose chopped off fingers became the seals and fish that were the Eskimos chief source of food had nothing to do with human fertility Indeed human motherhood was held in such low esteem that Eskimo women were forced to give birth completely alone with no human companionship and no helpful deities of childbirth Likewise while various Mexican goddesses ruled over healing women s crafts motherhood and childbirth and functioned as tribal protectors or divine ancestors none of them either embodied the earth itself or granted fertility to the crops for that the Mexicans looked to the male gods of maize and of rain Nor were the rituals of these goddesses nurturing or peaceful The goddess Cihuacoatl who nurtured the creator god Quetzalcoatl and helped him create humanity was worshipped with human sacrifices who were pushed into a fire removed while still alive and their hearts were cut out And Motz closely examines the Anatolian goddess Cybele the Magna Mater most often cited as an example of a powerful mother goddess Hers were the last of the great pagan mysteries of the Mediterranean civilizations to fall before Christianity But Cybele herself never gives birth nor does she concern herself with aiding women in childbirth or childrearing She is not herself a mother and the male character figuring most prominently in her myths is Attis her chaste companion Tellingly Cybele s priests dedicate themselves to her by castrating themselves thus mimicking Attis s death a very odd way to venerate a goddess of fertility To depict these earlier goddesses as peaceful and nurturing mothers as is often done is to deny them their own complex and sophisticated nature as beings who were often violent and vengeful delighting in sacrifice or who reveled in their eroticism and were worshipped as harlots The idea of a nurturing Mother Goddess is very powerful In this challenging book however Motz shows that She is a product of our own age not of earlier ones By discarding this simplistic and worn out paradigm we can open the door to a new way of thinking about feminine spirituality and religious experience *In Praise of the Goddess*, 2003-12-01 About 16 centuries ago an unknown Indian author or authors gathered together the diverse threads of already ancient traditions and wove them into a verbal tapestry that today is still the central text for worshippers of the Hindu Devi the Divine Mother This spiritual classic the Devimahatmya addresses the perennial questions of the nature of the universe humankind and divinity How are they related how do we live in a world torn between good and evil and how do we find lasting satisfaction and inner peace These questions and their answers form the substance of the Devimahatmya Its narrative of a dispossessed king a merchant betrayed by the family he loves and a seer whose teaching leads beyond existential suffering sets the stage for a trilogy of myths concerning the all powerful Divine Mother Durga and the fierce battles she wages against throngs of demonic foes In these allegories her adversaries represent our all too human impulses toward

power possessions and pleasure The battlefields symbolize the field of human consciousness on which our lives dramas play out in joy and sorrow in wisdom and folly The Devimahatmya speaks to us across the ages of the experiences and beliefs of our ancient ancestors We sense their enchantment at nature s bounty and their terror before its destructive fury their recognition of the good and evil in the human heart and their understanding that everything in our experience is the expression of a greater reality personified as the Divine Mother

The Goddess in India Devdutt Pattanaik,2000-09 In this wide reaching exploration of ancient lore and legends Pattanaik investigates the evolution of the goddess cult in India over the course of 4 000 years Forty color photos illustrate many stories of goddess lore never before available in one collection

The Goddess David Leeming,Christopher Fee,2016-03-15 For as long as we have sought god we have found the goddess Ruling over the imaginations of humankind s earliest agricultural civilizations she played a critical spiritual role as a keeper of nature s fertile powers and an assurance of the next sustaining harvest In *The Goddess* David Leeming and Christopher Fee take us all the way back into prehistory tracing the goddess across vast spans of time to tell the epic story of the transformation of belief and what it says about who we are Leeming and Fee use the goddess to gaze into the lives and souls of the people who worshipped her They chart the development of traditional Western gender roles through an understanding of the transformation of concepts of the Goddess from her earliest roots in India and Iran to her more familiar faces in Ireland and Iceland They examine the subordination of the goddess to the god as human civilizations became mobile and began to look upon masculine deities for assurances of survival in movement and battle And they show how despite this history the goddess has remained alive in our spiritual imaginations in figures such as the Christian Virgin Mother and in contemporary times the new age resurrection of figures such as Gaia *The Goddess* explores this central aspect of ancient spiritual thought as a window into human history and the deepest roots of our beliefs

This is likewise one of the factors by obtaining the soft documents of this **The Goddesses** by online. You might not require more time to spend to go to the book establishment as without difficulty as search for them. In some cases, you likewise attain not discover the declaration The Goddesses that you are looking for. It will certainly squander the time.
