The Hamlet:

The Hamlet Fire Bryant Simon, 2020-07-23 For decades the small quiet town of Hamlet North Carolina thrived thanks to the railroad But by the 1970s it had become a postindustrial backwater a magnet for businesses in search of cheap labor and almost no oversight Imperial Food Products was one of those businesses The company set up shop in Hamlet in the 1980s Workers who complained about low pay and hazardous working conditions at the plant were silenced or fired But jobs were scarce in town so workers kept coming back and the company continued to operate with impunity Then on the morning of September 3 1991 the never inspected chicken processing plant a stone s throw from Hamlet s city hall burst into flames Twenty five people perished that day behind the plant s locked and bolted doors It remains one of the deadliest accidents ever in the history of the modern American food industry Eighty years after the Triangle Shirtwaist Fire industrial disasters were supposed to have been a thing of the past in the United States However as award winning historian Bryant Simon shows the pursuit of cheap food merged with economic decline in small towns across the South and the nation to devalue laborers and create perilous working conditions The Hamlet fire and its aftermath reveal the social costs of antiunionism lax regulations and ongoing racial discrimination Using oral histories contemporary news coverage and state records Simon has constructed a vivid potent and disturbing social autopsy of this town this factory and this time that exposes how cheap labor cheap government and cheap food came together in a way that was destined to result in tragedy Annotations to William Faulkner's The Hamlet Catherine D. Holmes, 1996 The annotations in this volume originally published in 1996 intend to assist the reader of Faulkner s *The Hamlet* to understand obscure or difficult words and passages including literary allusions dialect and historical events that Faulkner uses or alludes to This title will be of great interest to students of literature
