**The Sewing Machine Murder** Michael McGrorty,2001-03-01      *Murder Mittens* R.J. Blain,2020-12-25 Becoming a bounty hunter and taking on the call sign of Murder Mittens wasn't Harri's brightest move but what's a lynx to do with millions of debt while working a customer service gig The scars deforming her face won't remove themselves and she'll bag and tag every criminal in the United States to get rid of them if necessary Being assigned a handler could make or break her but did the powers that be really have to toss Sebastian Sumners her way The lion with a stubborn streak as wide as hers tests her patience on a good day but nothing makes her purr more than goading him into roaring Add in a protective family a serial killer on the loose and more trouble than any one cat needs and it's going to take a miracle for Harri to get through the most important job of her life Warning contains magic humor cranky shapeshifters cats murder and mayhem Proceed with caution      **The Ging Murder and the Great Hayward Trial** Harry T. Hayward,1895      Lizzie Borden and the Massachusetts Axe Murders Ronald Bartle,2017-05-15 The case of Lizzie Borden is one of the most infamous in criminal history having spawned songs plays and a range of publications It also ranks as one of the most puzzling Having been acquitted of the axe murders of both her parents Borden then simply returned home and carried on as before only to be roundly ostracised by the stoutly religious local community Prosecutors never charged anyone else with the crimes leaving the case naggingly unsolved Here author Ronald Bartle revisits the events which occurred in Fall River Massachusetts in 1892 He explains how her answers to police questions were at times strange and contradictory and her accounts to them often bizarre With so many pointers to her involvement the trial has been compared to that of O J Simpson in the modern day It is immortalised in legal and other folklore as well as in the children's rhyme Lizzie Borden took an axe And gave her mother forty whacks When she saw what she had done She gave her father forty one A refreshing account of a very famous case Contains legal and other analysis A fly on the wall view of the nineteenth century USA justice system A true story that reads like a thriller      **The Trial of Frank James for Murder** George Miller (Jr.),1898      **Murder in the Vatican** Lucien Gregoire,2008 Murder in the Vatican is two books in one book The Revolutionary Life of John Paul the only existing biography of the 33 day Pope and The CIA Opus Dei and the 1978 Murders Why two books in one book Unless one understands the mystery of his life something the Vatican prefers to keep secret The Secret Life of John Paul one will never understand the mystery of his unwitnessed death This book is in its fourth edition In that time I have changed little of what I have said about this good man's life other than to expand my account in this new edition to include stories of his childhood and his young life as a seminarian and as a priest Yet the mystery of his death and the deaths of those around him has involved an investigative process that has taken me to Italy and elsewhere in the world many times and spanned many years I knew much more five years ago than I knew five years before that and I knew much more two years ago than I knew five years before that and I know much more today than I did then Here for the first time is the proof How John Paul and those

around him fell victim to twentieth century capitalism as it was jointly embraced by the Vatican and the United States
