## **The Shadow Line:**

**The Shadow Line** Laura Furman, 1982 When reporter Liz Gold fled to Houston to escape her family and her wrecked marriage she investigates the twenty year old murder of the mistress of a prominent businessman and uncovers the truth about the murder and herself [The Shadow-Line](#) Joseph Conrad, 2013-10-10 Joseph Conrad's short novel *The Shadow Line* A Confession 1917 is one of the key works of early twentieth century fiction This edition established through modern textual scholarship and published as part of the Cambridge Edition of the Works of Joseph Conrad presents Conrad's only major work written during the First World War and its 1920 preface in forms more authoritative than any so far printed Correspondence reveals that the part and chapter divisions present in the historical editions lack authorial sanction and this edition of *The Shadow Line* offers a continuous text for the first time restoring to the narrative a fluency and dramatic intensity not hitherto found in any printing An Introduction and Explanatory Notes as well as maps and illustrations enrich this volume The Appendices publish materials relevant to Conrad's maritime career and to the publishing of the American serial and the Apparatus allows the reader to follow the creative process **The Shadowline** Joseph Conrad, 2024-05-09 Joseph Conrad's *The Shadow Line* is an autobiographical novella masquerading as a sea tale chronicling a young captain's inaugural command a ship stranded in the Gulf of Siam its crew ravaged by fever and the ghostly legacy of a mad predecessor The unnamed narrator's journey from restless first mate to beleaguered leader mirrors Conrad's own transition from sailor to writer framing the sea as both crucible and confessional The plot hinges on stagnation windless skies a medicine chest emptied by the dead captain's paranoia and a crew slipping into delirium Conrad strips away adventure's romance fixating on the psychological toll of responsibility the shadow line between youthful idealism and the grim clarity of adulthood Critics read it as a metaphor for artistic creation wartime leadership written during WWI or Conrad's reckoning with mortality Its pared down prose devoid of his usual stylistic flourishes amplifies the claustrophobia of a world where duty collides with futility This modern edition of Conrad's classic novel includes a fresh Afterword extensive reference materials including a timeline of Conrad's life and works character glossary and group discussion questions on this literary classic The text of the novel has been slightly edited to remove archaic terminology and make it more readable to the modern reader The novella is less about the sea than about the silence that follows when illusions drown The ship *Sephora* is a floating purgatory its previous captain's insanity seeps into the timbers like rot haunting the crew with a malaise no medicine can cure The young captain's struggle isn't against storms but inertia days blur into a sweaty limbo where time itself feels feverish Conrad's irony is surgical the narrator crosses the shadow line not through heroism but by enduring helplessness his authority meaningless against tropical heat and human frailty The crew's suffering becomes a mirror for his own inadequacy their survival hinges not on his skill but on a sudden breeze an act of cosmic indifference The true horror the horror the horror isn't death but the erosion of meaning The mad captain's ghost is never seen only felt a lingering doubt that corrodes certainty

When the wind finally returns it's not a triumph but a reprieve underscoring how little control any captain or anyone truly holds Conrad's stripped prose mirrors the narrator's stripped psyche sentences are stark unadorned as if language itself is rationed The shadow line isn't a moment but a slow bleed the realization that adulthood isn't wisdom but the weight of knowing how little one knows The sea once a symbol of freedom becomes a vast uncaring ledger where men tally their debts to fate By the end survival feels accidental a shrug from the universe The captain's victory is hollow he's crossed the line but the horizon remains as distant as ever

**The Shadow Line** Joseph Conrad, 2022-11-16 This masterly character study of human transformation written by Joseph Conrad 1857-1924 during the First World War chronicles a youth's passage into manhood upon becoming the commander of his first ship

**The Shadow-Line Annotated** Joseph Conrad, 2021-04-13 The Shadow Line is a short novel based at sea by Joseph Conrad it is one of his later works being written from February to December 1915 It was first published in 1916 as a serial in New York's Metropolitan Magazine September-October in the English Review September 1916 March 1917 and published in book form in 1917 in the UK March and America April The novella depicts the development of a young man upon taking a captaincy in the Orient with the shadow line of the title representing the threshold of this development The novella is notable for its dual narrative structure The full subtitled title of the novel is *The Shadow Line: A Confession* which immediately alerts the reader to the retrospective nature of the novella The ironic constructions following from the conflict between the young protagonist who is never named and the old drive much of the underlying points of the novella namely the nature of wisdom experience and maturity Conrad also extensively uses irony by comparison in the work with characters such as Captain Giles and the ship's factotum Ransome used to emphasise strengths and weaknesses of the protagonist The novel has often been cited as a metaphor of the First World War given its timing and references to a long struggle the importance of camaraderie etc This viewpoint may also be reinforced by the knowledge that Conrad's elder son Borys was wounded in the First World War Others however see the novel as having a strong supernatural influence referring to various plot lines in the novella such as the ghost of the previous captain potentially cursing the ship and the madness of first mate Mr Burns Conrad himself however denied this link in his Author's Note 1920 claiming that although critics had attempted to show this link The world of the living contains enough marvels and mysteries as it is

[The Shadow-Line](#) Joseph Conrad, 2007-10-09 The masterpiece of Joseph Conrad's later years the autobiographical short novel *The Shadow Line* depicts a young man at a crossroads in his life facing a desperate crisis that marks the shadow line between youth and maturity This brief but intense story is a dramatically fictionalized account of Conrad's first command as a young sea captain trapped aboard a becalmed fever-wracked and seemingly haunted ship With no wind in sight and his crew disabled by malaria the narrator discovers that the medicine necessary to save the sick men is missing and its absence has been deliberately concealed Meanwhile his increasingly frightened first mate is convinced that the malignant ghost of the previous captain has cursed them Suspenseful atmospheric and deceptively simple Conrad's tale
