The Shifting Sources Of Power And Influence:

The Shifting Sources of Power and Influence Charles E. Dwyer,1992-06-01 Culture, Economic Growth, and Interstate Power Shift Steve Chan,2024-02-08 How has China's and East Asia's impressive economic growth been influenced by their Confucian heritage And how does economic growth affect interstate competition

Power and Influence Kathleen L. McGinn,2007 *Prison Violence* Kimmett Edgar,Ian O'Donnell,Carol Martin,2014-02-04 Prisons are dangerous places and assaults threats theft and verbal abuse are pervasive attributable both to the characteristics of the captive population and to an institutional sub culture which promotes violence as a means of resolving conflicts Yet the crimes perpetrated by prisoners on other prisoners have attracted little interest and criminological research has contributed little to an understanding of situations in which violence arises in penal institutions This book seeks to remedy this and to address and answer a number of key questions how do features of the prison social setting shape conflicts what social norms guide the decision to use violence what are the personal and social consequences of spending months or years in places where distrust and anxiety are normal how do staff respond to the dangers that are part of daily life in many prisons is it possible to identify factors associated with risk and resilience and what methods of handling conflicts do prisoners use that could prevent violence *Prison Violence* adopts a distinctive approach to answering these questions and is based on extensive research including interviews with both victims and perpetrators of prison violence it pioneers a conflict centred approach seeking to understand the pathways into and out of situations where there is potential for violence focusing on interpersonal and institutional dynamics rather than on individual psychological factors

Knowledge Partnering for Community Development Robyn Eversole,2014-10-17 Effective community development means that many different stakeholders have to work together governments development organizations and NGOs and most importantly the people they serve *Knowledge Partnering for Community Development* teaches community development professionals how to mediate community needs and development agendas to make community based solutions for development challenges Based on the newest research in community and global development Eversole shows readers a strong research and theoretically based framework for understanding local development processes and gives them the skills to turn this into cutting edge practice Each chapter features global case studies of innovative community state partnerships and practical application exercises and strategies for professionals looking to bring new approaches to their research *Knowledge Partnering for Community Development* is essential for community workers and students of community development looking to bridge the gap between research insight and best practice between community actors

Power (Entering the Shift Age, eBook 11) David Houle,2012-12-17 We are leaving the Information Age and transitioning into the Shift Age a time of transformation and change that offers both great risk and incredible opportunity In *Entering the Shift Age* David Houle identifies and explains the dynamics and forces that have shaped our world and will continue to reshape our world for the next 20 years He shows how the Shift Age means a

world fully global yet focused on the individual where the speed of change is so fast that change itself is the new norm He also comments from the front lines of the Shift Age on issues and topics that affect our lives from business and technology to environment media and global culture eBook 11 reviews the definition of Power and how the power structure is rapidly changing In the Shift Age it will largely move from the power of control i e one or a few entities directly controlling large parts of society to the power of influence individuals being able to gain power by exerting their influence Part 4 The Future of the Shift Age Introduction Chapter 25 Power

[The Sources of Great Power Competition](#) J. Patrick Rhomey Jr., Spencer D. Bakich, 2024-10-25 This volume explores the determinants of state power the strategic options of rising powers the drivers of conflict in dynamic international systems and American grand strategy past and present to achieve a more comprehensive understanding of the current era of great power competition Leveraging insights from international relations history economics and political demography it offers rich perspectives on the competition among newly rising powers and long dominant leaders in the international system This book presents novel theories and innovative empirical investigations into the economic and demographic challenges confronting rising powers along with new inquiries into these countries capacity to mobilize both their citizens and their militaries While China s grand strategy has attracted significant attention in recent years these authors look beyond U S PRC relations by considering the war proneness and strategic repertoires of rising regional powers including India and Russia Yet the possibility of great power war remains a justifiable concern This book examines the so called Thucydides s Trap by exploring both its explanatory power in the conflict that inspired its name the Peloponnesian War and the possible mechanisms for averting war between the two most powerful countries in the current era Finally several challenges confronting the United States are discussed including climate change competition over the interpretation of the international Women Peace and Security agenda and the durability of America s commitment to upholding the liberal international order The Sources of Great Power Competition brings together many of the most influential scholars to engage in lively debates about the current and future international system It will be of interest to foreign policy practitioners and scholars of grand strategy the causes of war alliance politics norms and narratives in foreign policy power transitions and international hierarchy

[Infrastructure Wars: How Roads, Ports, and Power Influence Political Control](#) Russell A. Duke, 2026-02-11 Infrastructure Wars How Roads Ports and Power Influence Political Control is a groundbreaking examination of how the 21st century s most powerful nations are no longer fighting for dominance through armies or ideology alone but through infrastructure From railways and ports to energy pipelines digital networks and strategic financial lending the book reveals how modern empires are built not with weapons but with concrete capital and connectivity Drawing on real world examples such as China s Belt and Road Initiative BRI the G7 s Build Back Better World B3W and the EU s Global Gateway this book uncovers the hidden geopolitical strategies shaping world order today Through deeply researched chapters and global case studies the author shows how infrastructure has become a tool of influence

coercion and control reshaping borders economies and alliances Topics include How China's trillion dollar BRI rewrites trade routes and builds economic dependency The West's counter efforts to reclaim influence through transparent and sustainable development The role of World Bank conditionalities in shaping political outcomes How developing nations navigate debt sovereignty and opportunity The rise of digital infrastructure as a new battlefield for global power Infrastructure Wars exposes how roads ports pipelines and even fiber optic cables now define the balance of power and how nations are competing to control the arteries of the global economy This is essential reading for policymakers analysts academics investors and anyone seeking to understand the future of international relations global economics and geopolitical strategy

The Energy Resources of the United States Chester Garfield Gilbert, Joseph Ezekiel Pogue, 1919 **Power** Chester G. Gilbert, Joseph Ezekiel Pogue, 1918 The authors analyze discuss and give an overview of power needs for industry and transportation in relation to resources such as coal oil and water power The authors approach the topic from the perspective of trying to meet the power needs of an increasingly industrialized economy in the early 20th century Power and Influence Dimitrios George Kousoulas, 1985 Addressing Contemporary Public Health Challenges in Ghana for Improved Outcomes: Getting to SDG 3 Delanyo Dovlo, Kwasi Torpey, Irene Agyepong, Evelyn Ansah, Eugene Nyarko, 2024-12-24 In 1978 Ghana was a participant in the Alma Ata meeting on primary health care and was an early adopter of its ideals However like most developing countries it has made efforts to strengthen public health as a way of ensuring the conditions in which its people can be healthy and productive The evolution of the public health in the country involved core assessments policy development and the implementation of interventions to address its policy objectives The process of strengthening public health policy and interventions over the past four and more decades has hinged on evidence generated through research at the local and international level The documentation of interventions to address contemporary health issues is a critical plank for the health practice to policy continuum it catalyzes the country response of the myriads of public health issues confronting it Many lessons have accrued for the country's communities to enhance the promotion restoration and maintenance of health even as the disease burden evolves from one of infectious and communicable diseases and maternal and child health to an increasingly sophisticated triple burden incorporating non communicable diseases The Power of Influence Tom Lambert, 1996 A comprehensive repertoire of professional influencing skills for managers leaders professionals and salespeople **Power in the City** Marion Orr, Valerie C. Johnson, 2008 A collection of thirteen essays considered classics in the field of urban politics from leading scholar Clarence Stone with new essays by the editors and by Stone himself that contextualize the impact of his previous works and suggest new directions for researchers The Chautauquan Theodore L.
