Theory and Practice in Social Group Work Marie Weil, Kenneth K. L. Chau, Danna Southerland, 1991 Here is an important look at creative ways to successfully blend theoretical knowledge with skillful intervention in social group work Theory and Practice in Social Group Work represents leading works in conceptual development that creatively connect practice with theory and also reflect the current diversity of interventions in group work

practice The book calls for more carefully articulated connections between knowledge and action and maps a strategy for strengthening social work curriculum and expanding group work practice Some of the areas discussed include group work in medical and health settings group work with people undergoing life cycle transitions and group work interventions with vulnerable populations A wide range of possibilities for applying theories in group work situations are presented in this thought provoking volume Some specific examples discussed include group work interventions with persons affected by the AIDS crisis and persons at high risk of contracting HIV a group model for the management of chronic pain group intervention services for the homeless mentally ill delivered through a mobile outreach team a bingo group in an SRO hotel group work with adults molested as children and a model of practice for work with minority populations and communities *Innovations in Social Group Work* Marvin Parnes,1986 This classic volume is a major contribution to the ongoing revitalization and growth of social work with groups A variety of perspectives and practice problems in social group work are explored selecting the direction in which work with groups is being channeled today Social work educators and practitioners examine the new experiences that are demanding expansion of theory or its application as well as the emerging new theory that might help practitioners in shaping their plans for work with clients in groups The most current thinking in the field is illustrated by the well balanced topics that are thoroughly addressed including teaching training health settings theory and technique family issues empowerment research and organization administration and program development **Group Work Practice to Advance Social Competence** Norma C. Lang,2010 This textbook introduces social work practice with socially unskilled populations or persons who lack social competence and whose group life is likely to be chaotic or nonexistent unless professionally assisted providing guidelines for working with these socially disabled persons in group settings The author outlines the unique pre group processes of socially unskilled populations and provides a methodology for advancing social competence She also identifies the professional and agency requirements for working with pre social processes [A Theory of Groupwork Practice](#) Tom Douglas,1993-02-02 A Theory of Groupwork Practice is based on the results of the search for the fundamental similarities in the practice of all groupworkers in whatever profession or setting they may operate The theoretical concepts used by groupworkers may be widely variant but what workers actually do when in interaction with the groups they create or adapt shows remarkable similarities which are deeper and more influential than the concepts in promoting or preventing successful group outcomes This book presents the foundations of a coherent theory of group work practice based on these similarities *A Critical Appraisal of Some Aspects of Social Group Work Theory and Practice* Irving Miller,1955 *The Social Group Work Method in Social Work Education* Marjorie Murphy,1959 **Interpersonal Practice in Social Work** Charles D.
