**The Theory and Practice of Communism** R. N. Carew Hunt,1951 *The Theory and Practice of Communism* Robert Nigel Carew Hunt,1962 **The Theory and Practice of Communism** Robert Nigel Carew Hunt,1969 **The Theory and Practice of Communism** Katherine Edith D'Evelyn,1961 *Global Capitalist Crisis and the Second Great Depression* Armando Navarro,2012-01-01 In this comprehensive work Armando Navarro delivers a timely analysis of the global capitalist crisis that has arisen in the United States Navarro offers a wide ranging political historical analysis of events the led up to the present co called Second Great Depression Starting with the end of World War II he tracks the various political and economic decisions that have led to the emergence of the global economic crisis that began in 2006 He provides context for the current economic situation by discussing the major economic and political events including the Great Depression the New Deal the rise of neo liberal capitalism and the collapse of the subprime mortgage industry Navarro incisively reviews and critiques the Obama administration and Democrats quasi welfare capitalist legislation Driven by social democratic models he constructs a transformative social movement paradigm that calls for the rise of reform and proposes dramatic systemic change Navarro concludes by looking at the U S political culture what he contends is the major obstacle to the rise of socialism in the United States and speculates about the potentially bleak economic future to come **The Theory and Practice of Communism. An Introduction. With a Pref. by L. Shapiro** R. N. Carew Hunt,L. Shapiro,1968 [An Introduction to the Theory and Practice of Communism](#) ,1948 [The National Union Catalog, Pre-1956 Imprints](#) Library of Congress,American Library Association. Committee on Resources of American Libraries. National Union Catalog Subcommittee,1973 *Marx's Rebellion Against Lenin* Norman Levine,2015-10-29 Marx s Rebellion Against Lenin by negating the Leninist Stalinist theory of dialectical materialism and tracing Marx s political philosophy to the Classical Humanism of Aristotle overthrows the stultifying entrapment of Stalinist Bolshevism and contributes to the revitalization of Marx s method *War Ethics: Theory, Practice, and Memoir* Brian Orend,2025-04-23 War Ethics Theory Practice and Memoir is an extraordinarily diverse collection of over ninety readings on the ethics law morality and justice of armed conflict Each of the foundational theories of war ethics realism pacifism just war theory and international law is examined in depth as are challenging alternative perspectives from feminist thinkers and the world s major religions A substantial section on contemporary issues covers topics ranging from cyberwar A I terrorism and drones to torture war s environmental impacts and the rights of soldiers and veterans Also included is an extensive collection of riveting first person accounts from soldiers civilians and observers which powerfully convey the personal impacts of war Introductory discussions and summary articles from Brian Orend are integrated throughout the text including a closing essay on new technologies and the future of war **The Philosopher's Index** Richard H. Lineback,1978 **Equality and the British Left** Ben Jackson,2007 The demand for equality has been at the heart of the politics of the Left in the twentieth century but what did theorists and

politicians on the British Left mean when they said they were committed to equality How did they argue for a more egalitarian society Which policies did they think could best advance their egalitarian ideals Equality and the British Left provides the first comprehensive answers to these questions It charts debates about equality from the progressive liberalism and socialism of the early twentieth century to the arrival of the New Left and revisionist social democracy in the 1950s Along the way it examines and reassesses the egalitarian political thought of many significant figures in the history of the British Left including L T Hobhouse R H Tawney and Anthony Crosland This book demonstrates that the British Left has historically been distinguished from its ideological competitors on the Centre and the Right by a commitment to a demanding form of economic egalitarianism It shows that this egalitarianism has come to be neglected or caricatured by politicians and scholars alike and is more surprising and sophisticated than is often imagined Equality and the British Left offers a compelling new perspective on British political thought that will appeal to scholars and students of British history and political theory and to anyone interested in contemporary debates about progressive politics

**Socialism, Theory and Practice** ,1979

**Public Finance in Theory and Practice Second edition** Holley Ulbrich,2013-03-01 The events of the last decade have challenged the contemporary neo classical synthesis in all branches of economics but particularly public finance The most notable feature of the 2nd edition of Public Finance in Theory and Practice is the infusion of behavioral economics throughout the text with an end of chapter question inviting the student to apply a behavioral lens to some question or issue There continues to be an emphasis on the importance of the institutional context drawing on examples from many countries and emphasizing the role of lower level governments in a federal system The first five chapters establish this context by reviewing the role of government in a market system the description of government structure from an economic perspective the basic data about revenue and expenditures the elements of public choice and the distributional role of government The book has been substantially reorganized to put more emphasis on public

expenditure Expanded treatment of public goods includes common property resources and congestible or club goods  
Expanded discussion of budgeting and cost benefit analysis provides some practical application of the theory Updated  
discussions of social security public education and health care address these three major contemporary public finance issues  
The traditional emphasis on revenue taxes fees and grants has been retained but follows rather than precedes the discussion  
of expenditures *An Introductory Guide to EC Competition Law and Practice* Valentine Korah,1994 *Major Foreign  
Powers* Gwendolen Margaret Carter,John H. Herz,John Calyer Ranney,1962
