The Playbook for Leading Change Mike Valentine, Mitchell Kusy, 2025-12-19 Leaders continually receive multiple messages on how to lead successful organizational change Create buy in Model the way Connect strategies to the organization s vision Garner input Engage others in decisions Co design strategies The confusion created by these multiple

messages has contributed to a high failure rate in change initiatives as organizations struggle with watered down approaches that offer generic solutions instead of tailored practical guidance This book is a compendium of simple easy to implement change strategies that work all in one source When working with organizations such as American Express Mayo Clinic Eaton Honeywell Target AT T US Bancorp Kraft Foods 3M Johnson Johnson Nabisco PepsiCo and The New York Times the authors have witnessed firsthand how leaders struggled with conflicting messages from various flavor of the month models The complexity of today s organizational environments especially post pandemic has only magnified this challenge Leaders seek clarity amid the noise and need strategies that are adaptable to their unique environments The Playbook for Leading Change provides simple concrete strategies that with a little help from AI can be customized for immediate action so leaders can breathe a sigh of relief with more confidence When these strategies are implemented in manageable baby steps using five core change principles the probability of success improves significantly This book presents hard evidence in a nonacademic fashion by showing why these strategies work and how to engage them most effectively It helps leaders move beyond gut instinct which sometimes works but often fails and instead adopt evidence based approaches that can be applied with confidence With organizational environments becoming increasingly complex the need for clear reliable and practical solutions to change challenges is more compelling than ever Essentially the authors provide a precise and quick read that will lead to tactical strategies for leading organizational change They have taken the best of the best practices from their three contexts as leaders consultants and professors and merged them into a single straightforward book it offers one stop shopping for those who need practical guidance on navigating change The Playbook for Leading Change demystifies the process equipping leaders with tools and insights that cut through the confusion and enable them to lead change initiatives with greater success

Research Handbook on Psychosocial Conditions at Work Caroline Biron,Julie

Dextras-Gauthier,Cary Cooper,2025-12-16 This timely Research Handbook explores the emerging psychosocial risks that threaten mental health and productivity in the workplace Leading experts examine how the world of work is evolving at an unprecedented pace and assess whether existing organizational intervention strategies are still effective at responding to new challenges

The New Normal in IT Gregory S. Smith,2022-02-23 Learn how IT leaders are adapting to the new reality of life during and after COVID 19 COVID 19 has caused fundamental shifts in attitudes around remote and office work And in The New Normal in IT How the Global Pandemic Changed Information Technology Forever internationally renowned IT executive Gregory S Smith explains how and why companies today are shedding corporate office locations and reducing office footprints You ll learn about how companies realized the value of information technology and a distributed workforce and what that means for IT professionals going forward The book offers insightful lessons regarding How to best take advantage of remote collaboration and hybrid remote office workforces How to implement updated risk mitigation strategies and disaster recovery planning and testing to shield your organization from worst case scenarios How today s CIOs and CTOs

adapt their IT governance frameworks to meet new challenges including cybersecurity risks The New Normal in IT is an indispensable resource for IT professionals executives graduate technology management students and managers in any industry It s also a must read for anyone interested in the impact that COVID 19 had and continues to have on the information technology industry Workplace Trends Lucas Morgan, AI, 2025-02-28 Workplace Trends offers a comprehensive guide to understanding the seismic shifts reshaping modern corporate cultures focusing primarily on the rise of hybrid work models and flexible work arrangements These aren t just fads they represent fundamental changes driven by technology and evolving employee expectations The book uniquely emphasizes practical implementation strategies providing actionable steps for designing and managing these new work environments The book begins by defining key concepts and exploring their impact on organizational culture and leadership It then analyzes practical challenges and opportunities such as technology infrastructure and performance management Did you know that organizations that embrace hybrid and flexible work models gain a competitive advantage in attracting talent Or that these models can significantly enhance organizational resilience The book supports its arguments with empirical research case studies and industry best practices Ultimately Workplace Trends provides readers with a framework for developing and executing a successful hybrid flexible work strategy tailored to their specific needs It progresses from foundational definitions to practical implementation culminating in an exploration of the broader societal implications such as effects on urban development and environmental sustainability This career guide is essential for leaders and HR professionals navigating the future of work
