Training Library Instructors Matthew Weirick Johnson, 2024-11-04 Pedagogy impacts all parts of library work and culture It changes the way we interact with learners regardless of setting and however we name or define the teaching moment from research help to outreach to leading meetings Pedagogy is a praxis of relation and studying it can improve all aspects of our work and organizations In two volumes Training Library Instructors collects examples of how we train our colleagues to teach whether they're student workers non-librarian staff new or experienced librarians or something else entirely In Volume 2 A Guide to Training Librarians librarians share their knowledge about teaching learning and pedagogy through a variety of replicable activities formal and informal workshops courses communities of practice peer observation and more Programs include mock instruction nano teaching and other feedback and homework mechanisms happen at the individual institutional or consortial level and can involve collaborations across library or university departments So many librarians value lifelong learning and the opportunity to learn from each other A Guide to Training Librarians provides a starting point for readers considering their own teach the teacher programs and various approaches to learning together exploring library instruction for the first

time or expanding existing knowledge through continued education

Handbook of Library Training Practice and Development Mr Alan Brine, 2012-10-01 Librarians must now work at a different level from that required 20 years ago but the training available is not always appropriate or accessible to all The authors of this volume have responded to this significant and continuing change within the profession by offering a much needed guide to best practice for staff training and development in library and information work This handbook addresses new aspects of service provision both in the UK and abroad and provides an up to date review of the current developments that are becoming increasingly important to librarians through the influence of the electronic age and the widening of areas of professional involvement The Handbook of Library Training Practice and Development will be invaluable to those responsible for the development of staff and line managers as well as providing a crucial insight into the information profession for anyone new to this career path or looking to develop their knowledge within it

Planning & evaluating library training programs Florida State University. Leadership Training Institute, 1973

The Practical Library Trainer Bruce E. Massis, 2004 Develop a library staff training program that really works To stay on top of the lightning fast changes in the library field and provide your patrons with the best service possible you need to establish and sustain an effective program for training your staff The Practical Library Trainer examines the concept of the library as a learning place for patrons and staff offering a comprehensive view of training from an administrator's perspective Bruce E Massis author of The Practical Library Manager Haworth addresses the essential issues of how to develop a strong program of continuous instruction including customer service reporting recruitment and retention of staff The book focuses on the integration of staff training as a blended activity instead of an intervention quelling the notion of training as an add on to existing staff duties The current information rich environment provides your patrons with an abundance of resources to choose from for their research needs But they can't do it alone they need direction from a knowledgeable librarian who can recognize the pedigree currency and validity of licensed resources particularly those available through electronic means The Practical Library Trainer uses the goal of long range customer service as a starting point emphasizing the return on investment possibilities from blended training methods as a key to meeting your patrons high expectations of service The book also provides examples from outside the library community to demonstrate the importance of training on a non library setting and looks at future training issues The Practical Library Trainer examines types of staff training formal informal employer provided qualifying skill improvement strategies for recruiting and retaining a staff blended learning e training in house training how to use professional conferences as continuing education opportunities how to evaluate your training program a sample of an anywhere anytime education and training program and much more The Practical Library Trainer is an important resource for making sure your patrons get the most from your library and your staff

Training Skills for Information and Library

Staff Barbara Allan,2000 Many information and library practitioners are involved in training activities in their daily work There is an increasing interest in accelerated learning and new approaches to teaching and learning such as neuro linguistic programming This guide fills a gap in the literature by applying these ideas to training in information and library work but it also covers more well established ideas about how we learn It attempts to turn theory into practice by focusing on a wide range or training activities and offering many examples of excellent modern practice *American Gas Engineering Journal* ,1927 *Library Work Cumulated* ,1912 **The Lincoln Library of Essential Information an Up to Date Manual for Daily Reference, for Self Instruction, and for General Culture Named in Appreciative Remembrance of Abraham Lincoln, the Foremost American Exemplar of Self Education** ,1924 *Library Work Cumulated, 1905-1911* Anna Lorraine Guthrie,1912 *Library Journal* Melvil Dewey,Richard Rogers Bowker,L. Pylodet,Charles Ammi Cutter,Bertine Emma Weston,Karl Brown,Helen E. Wessells,1908 Includes beginning Sept 15 1954 and on the 15th of each month Sept May a special section School library journal ISSN 0000 0035 called Junior libraries 1954 May 1961 Issued also separately **Library Journal** ,1921 **Biennial Report** Illinois. Office of the Superintendent of Public Instruction,1913 **Biennial Report of the Superintendent of Public Instruction, State of Illinois** Illinois. Office of the Superintendent of Public Instruction,1913
