Transcending Space:

Transcending Space Henry David Thoreau, Taimi Anne Olsen, E. E. Cumming, John Barth, *Transcending Space* Taimi Anne Olsen, 2000 This book gathers theoretical propositions about space into a conception of dynamic space space that is complex interrelated transcendent and multi centered The polyvalent quality of space that we desire is anticipated and envisioned by American writers writing out of a pervasive transcendentalist mode Works by three authors Henry David Thoreau E E Cummings and John Barth serve as case studies for the consideration of the influence and adaptation of a dynamic strain of transcendentalism in American literature The envisioning of space as dynamic as changeable as mobile challenges common conceptions of built space as static BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved

A Space for Grace Johan Cilliers, 2016-02-25 Although the act of preaching may take on various forms Johan Cilliers professor in Homiletics and Liturgy at Stellenbosch University s Faculty of Theology takes a look at preaching as being an event in space and time Aesthetical theological concepts such as space and time are innovatively combined with the sensory experiences like preaching as hearing and as seeing A Space for Grace truly is an inspiring aesthetic combination of academic reflection art works and sermons

Transcendence and Spatiality of the Triune Creator Chan Ho Park, 2005 Since Augustine many philosophers and theologians have discussed the relation of God to time whereas the relation between God and space has been rarely discussed This book deals with the relationship of God to space Divine transcendence is one important aspect of the Christian God However God is also immanent in the world of space and time The author investigates the concept of divine spatiality and presents case studies of three modern theologians Torrance Pannenberg and Moltmann He also analyses divine spatiality by using Dyrness s three categories relationship agency and embodiment

A Guide to Kant's Psychologism Wayne Waxman, 2019-01-16 This book presents an interpretation of Kant s Critique of Pure Reason as a priori psychologism It groups Kant s philosophy together with those of the British empiricists Locke Berkeley and Hume in a single line of psychologistic succession and offers a clear explanation of how Kant s psychologism differs from psychology and idealism The book reconciles Kant s philosophy with subsequent developments in science and mathematics including post Fregean mathematical logic non Euclidean geometry and both relativity and quantum theory It also relates Kant s psychologism to Wittgenstein s later conception of language Finally the author reveals the ways in which Kant s philosophy dovetails with contemporary scientific theorizing about the natural phenomenon of consciousness and its place in nature This book will be of interest to Kant scholars and historians of philosophy working on the British empiricists

Globalization, Cultural Identities, and Media Representations Natascha Gentz, Stefan Kramer, 2012-02-01 Globalization Cultural Identities and Media Representations provides a multidirectional approach for understanding the role of media in constructing cultural identities in a newly globalized media environment The contributors cover a wide range of topics from different geopolitical areas historical periods and media genres Case studies examined

include the shift from print to Internet local representations of modern world cinema and global television narrative strategies in transnational literature and cultural economics of the mediation of world music in India China Algeria Israel Europe and the United States This case study approach allows for deeper insights into the complexity of each cultural subsystem as part of the whole media culture system This book exemplifies a transcultural and transdisciplinary dialogue that maps out new relocalized territories and borders for mediated cultural identities and also reveals the complexity and connectedness of all of these discourses
