Understanding the Bible as a Whole Sam Rainer, 2022 Everything you need to grasp God's big picture in Scripture so you can dive deeper into each book of the Bible

Every single word in the Bible is powerful and purposeful. But too often we can be guilty of thinking that the details of God's plan for us must be buried in obscurity somewhere in the vastness of the Bible as if we're missing God because we missed that tiny iota subscript in the original Greek. What if it is the opposite? What if our daily purpose, our next step tomorrow, our discernment in the moment comes from a broad understanding of God's revelation in the Bible? When you grasp God's Word holistically, your life begins to make more sense each and every day. In this book, Sam Rainer will help you understand God's big picture as revealed in the Bible. Explore the major themes of Scripture. Know quickly and easily the subject and purpose of each book of the Bible. See the entire masterpiece instead of focusing on the brushstrokes. Understand the broad themes that occur from Genesis to Revelation to find God's purpose and plan for your life. *Understanding Scripture* Alvera M.

What was going on during the gap between the Old and New Testaments? How do all the books of the Bible fit together as a whole? This book answers these questions and puts clear, readable Bible study aids at your fingertips. It contains thirteen essays from some of today's best evangelical scholars, including C. John Collins, Thomas Schreiner, Gordon Wenham, and Darrell Bock, and will help you to see the big picture storyline of the Bible. Understand the theology of the Old and New Testaments. Read the different sections of Scripture effectively. Know what happened between the testaments. Help Me Understand the Bible Clarence Whetstone, 2014-04-17 We approach the Bible with American eyes and therefore completely miss or misunderstand so much of it It is an old Middle Eastern book To really understand it we must try to understand their culture theology language and

thinking A good translation is just the first step in understanding the Bible Figures of speech that are second nature to native speakers but often bizarre to others are especially difficult When these are further clouded by differences in customs grasping the original meaning can be very difficult What most of us fail to realize is that we do not think the same way the writers of the Bible thought The logic we find so easy and familiar did not yet exist when most of the Bible was written Without considering those differences we try to impose on Hebrew word pictures our Greek logic patterns Sometimes it works and at other times the results are disastrous No wonder we have loud conflict and seething separation within the church today in direct violation of Jesus prayer for unity within his body This book is the result of years of answering questions from students and friends It can be understood by anyone who can read a newspaper The Bible is the record of Gods intervention in human affairs and where he draws a lost and hurting world to himself Despite the critics shrill cries the Bible can be understood
