The Jewish Tribune and Hebrew Standard ,1930 *Hitler's Jewish Soldiers* Bryan Mark Rigg,2002 On the murderous road to racial purity Hitler encountered unexpected detours largely due to his own crazed views and inconsistent policies regarding Jewish identity After centuries of Jewish assimilation and intermarriage in German society he discovered that eliminating Jews from the rest of the population was more difficult than he d anticipated As Bryan Rigg shows in this provocative new study nowhere was that heinous process more fraught with contradiction and confusion than in the German military Contrary to conventional views Rigg reveals that a startlingly large number of German military men were classified by the Nazis as Jews or partial Jews Mischlinge in the wake of racial laws first enacted in the mid 1930s Rigg demonstrates that the actual number was much higher than previously thought perhaps as many as 150 000 men including decorated veterans and high ranking officers even generals and admirals As Rigg fully documents for the first time a great many of these men did not even consider themselves Jewish and had embraced the military as a way of life and as devoted patriots eager to serve a revived German nation In turn they had been embraced by the Wehrmacht which prior to Hitler had given little thought to the race of these men but which was now forced to look deeply into the ancestry of its soldiers The process of investigation and removal however was marred by a highly inconsistent application of Nazi law Numerous exemptions were made in order to allow a soldier to stay within the ranks or to spare a soldier s parent spouse or other relative from incarceration or far worse Hitler s own signature can be found on many of these exemption orders But as the war dragged on Nazi politics came to trump military logic even in the face of the Wehrmacht s growing manpower needs closing legal loopholes and making it virtually impossible for these soldiers to escape the fate of millions of other victims of the Third Reich Based on a deep and wide ranging research in archival and secondary sources as well as extensive interviews with more than four hundred Mischlinge and their relatives Rigg s study breaks truly new ground in a crowded field and shows from yet another angle the extremely flawed dishonest demeaning and tragic essence of Hitler s rule

life Is that a dumb question Why Does Religion Need So Many Rules Why Be Jewish With insight and wisdom and without pretending to have all the answers Rabbi Feinstein encourages young people to make sense of the Jewish tradition by wrestling with what we don t understand **What Do Jews Believe?** David Ariel,1996-01-23 A lively exploration of Jewish ideas and beliefs Anyone who seeks to know what Judaism is really all about will be in his debt David Wolpe author of Why Be Jewish In this fresh and lucid study Ariel presents the fundamentals of Jewish thought on the profound issues of God human destiny good and evil Torah and messianism guiding the reader toward a definition of the beliefs that shape Jewish identity This lively exploration of Jewish ideas and beliefs provides a rationale and stimulus for anyone seeking to understand or reconnect to the rich and diverse spiritual tradition of Judaism **On Judaism** Emanuel Feldman,2000 [The Sociology of American Jews](#) Jack Nusan Porter,1980 To find more information about Rowman and Littlefield titles please visit [www rowmanlittlefield com](http://www.rowmanlittlefield.com)
