Why Not Cremation Donald Kent Smith,1970

**Cremation, Embalment, or Neither?** Alvin J. Schmidt,2015-03-27

This book documents today's rising rates of cremation in the West and notes that these rates now include many deceased Christians a stark contrast to Christians in the past who had consistently rejected cremation from their earliest years in pagan Rome to the mid 1960s Christians opposed and spurned cremation for a number of reasons discussed in this book By mid fourth century Christianity's rejection of cremation influenced pagan Rome to abandon cremation Earth burial became the only acceptable way to dispose of deceased humans resulting in a major cultural change in the West Converts to Christianity had to promise they would never be cremated Graveyards were named coemeteria Latin for where dead people sleep from which we get the word cemetery a name now contradicted by cremation This book is a clarion call to Christians Dr Schmidt has amassed historical biblical theological and practical evidences that the modern Christian church will only refuse to hear to its great loss both now and at the judgment Seat of Christ where we each shall receive what is due to for things done while in might we add to the body 2 Corinthians 5 10 Craig A Parton M A J D United States Director International Academy of Apologetics Santa Barbara California This powerful apologetic clearly establishes that cremation fails to find endorsement in the inspired Holy Scriptures Dr Schmidts research will prove invaluable for those who might query the need for burial rather than cremation Hopefully this book will have a wide influence on Christian thought and practice Donald Howard Pastor Emeritus Anglican Church Diocese of Sydney NSW Australia Author of Burial or Cremation Does It Matter I heartily recommend Dr Schmidts excellent book Cremation Embalment or Neither A Biblical Christian Evaluation to clergy and faithful laypeople alike concerned with the increasing rates of cremation among Christians This will be in keeping with the Apostle Pauls admonition Do not conform any longer to the pattern of the world Romans 12 2 Archpriest Victor S Potapov Rector Russian Orthodox Cathedral of St John the Baptist Washington DC This book provides an excellent opportunity for Christians to engage in deep theological thought regarding end of life decisions Dr Schmidt has thoroughly documented the historical roots for Christian burial A must read for all Christians Beth Hoeltke Ph D Librarian Concordia Seminary St Louis MO

*The Medical and Surgical Reporter*, 1890 **Cremation** Juan F. Negron, 2025-01-15 Juan F Negron had thought cremation was acceptable to God but then he began to have doubts After reading a pamphlet about cremation he realized that he had been looking at cremation from his own point of view and not as the Lord sees it Something told him he had to pass on what he learned to other believers In Genesis 3 19 God said In the sweat of thy face shalt thou eat bread till thou return unto the ground for out of it wast thou taken for dust thou art and unto dust shalt thou return According to divine precept and example there is but one Christian way to dispose of our dead and that is to bury them If you want God to sanctify your body remember that by intentionally burning your body the body is destroyed and God has no one to raise resurrect nor your body change see 1 Corinthians 15 51 52 When you opt for cremation you treat the body as a temporary thing Rather than give our consent to destroy God s property in the oven of a crematorium every loved one should be affectionately and carefully laid away whole in the ground like the body of our Savior **Accompany Them with Singing--The Christian Funeral** Thomas G. Long, 2009-10-02 Thomas Long begins this fascinating volume by describing how the Christian funeral developed historically theologically and liturgically and then discusses recent cultural trends in funeral practices including the rise in both cremations and memorial services He describes the basic pattern for a funeral service details options in funeral planning identifies characteristics of a good funeral and provides thoughtful guidance for preaching at a funeral Long also notes a disturbing trend toward funeral services that seem theologically right and pastorally caring but actually depart from the primary aims of the Christian funeral He argues that a new less theological and less satisfying service that focuses on the mourner has begun to erode the Christian view He contrasts the ancient grand community drama with today s trend toward body less memorial services that focus primarily on the living and grief management This is a loss for the church he argues and he calls for the church to reclaim the classic metaphor

**Municipal Engineering; Sanitary Record and the Municipal Motor**, 1927 [The Truth Seeker](#), 1873 *The New Republic* Herbert David Croly, 1923 **Pulpit and Social Problems**, 1899 *The Lancet*, 1874 **Burial Or Cremation** Donald Howard, 2001 How should Christians dispose of the bodies of their loved ones after death Does the Bible give us authoritative guidance on this question or are we free to decide on the basis of pragmatic arguments or even personal taste

Donald Howard is convinced that the Scriptures do give a clear answer to this question Burial alone has the endorsement of God s Word and that Word not tradition sentiment or custom must direct us in both our living and our dying It is the writer s firm belief that burial alone gives specific testimony to the Christian doctrine of the resurrection of the dead The author traces the history of burial through the Old Testament to the culminating example of Christ s burial and resurrection discusses the practice of cremation in the modern world and gives wise counsel on the need to grieve and to plan for our own funeral His whole approach is based on the glorious privilege of being united to Christ in His death burial and resurrection
