Why The Jews:

Why the Jews? Dennis Prager, Joseph Telushkin, 1983 Why have Jews been the object of the most enduring and universal hatred in history Why is the Jewish state the most despised country in the world today Dennis Prager and Joseph Telushkin authors of the widely acclaimed *The Nine Questions People Ask About Judaism* take on these momentous question Why the Jews discards conventional explanations of antisemitism to argue that its root causes are paradoxically the very convictions that have ensured Jewish survival the Jewish conceptions of God Law and Peoplehood Drawing on extensive historical research the authors reveal how these distinctive Jewish values have precipitated universal antisemitism by making the Jew and now the Jewish state into outsiders challengers to other people s Gods laws or national allegiances *Why the Jews Rejected Jesus* David Klinghoffer, 2007-12-18 Why did the Jews reject Jesus Was he really the son of God Were the Jews culpable in his death These ancient questions have been debated for almost two thousand years most recently with the release of Mel Gibson s explosive *The Passion of the Christ* The controversy was never merely academic The legal status and security of Jews often their very lives depended on the answer In *WHY THE JEWS REJECTED JESUS* David Klinghoffer reveals that the Jews since ancient times accepted not only the historical existence of Jesus but the role of certain Jews in bringing about his crucifixion and death But he also argues that they had every reason to be skeptical of claims for his divinity For one thing Palestine under Roman occupation had numerous charismatic would be messiahs so Jesus would not have been unique nor was his following the largest of its kind For another the biblical prophecies about the coming of the Messiah were never fulfilled by Jesus including an ingathering of exiles the rise of a Davidic king who would defeat Israel s enemies the building of a new Temple and recognition of God by the gentiles Above all the Jews understood their biblically commanded way of life from which Jesus s followers sought to free them as precious immutable and eternal Jews have long been blamed for Jesus s death and stigmatized for rejecting him But Jesus lived and died a relatively obscure figure at the margins of Jewish society Indeed it is difficult to argue that the Jews of his day rejected Jesus at all since most Jews had never heard of him The figure they really rejected often violently was Paul who convinced the Jerusalem church led by Jesus s brother to jettison the observance of Jewish law Paul thus founded a new religion If not for him Christianity would likely have remained a Jewish movement and the course of history itself would have been changed Had the Jews accepted Jesus Klinghoffer speculates Christianity would not have conquered Europe and there would be no Western civilization as we know it *WHY THE JEWS REJECTED JESUS* tells the story of this long acrimonious and occasionally deadly debate between Christians and Jews It is thoroughly engaging lucidly written and in many ways highly original Though written from a Jewish point of view it is also profoundly respectful of Christian sensibilities Coming at a time when Christians and Jews are in some ways moving closer than ever before this thoughtful and provocative book represents a genuine effort to heal the ancient rift between these two great faith traditions **The Story of the Jews** James Kendall Hosmer, 1885 **"The" Jews in**
