We Stand Divided Daniel Gordis,2019-09-10 From National Jewish Book Award Winner and author of *Israel a bold reevaluation of the tensions between American and Israeli Jews that reimagines the past present and future of Jewish life* Relations between the American Jewish community and Israel are at an all time nadir Since Israel s founding seventy years ago particularly as memory of the Holocaust and of Israel s early vulnerability has receded

the divide has grown only wider Most explanations pin the blame on Israel s handling of its conflict with the Palestinians Israel s attitude toward non Orthodox Judaism and Israel s dismissive attitude toward American Jews in general In short the cause for the rupture is not what Israel is it s what Israel does These explanations tell only half the story We Stand Divided examines the history of the troubled relationship showing that from the outset the founders of what are now the world s two largest Jewish communities were responding to different threats and opportunities and had very different ideas of how to guarantee a Jewish future With an even hand Daniel Gordis takes us beyond the headlines and explains how Israel and America have fundamentally different ideas about issues ranging from democracy and history to religion and identity He argues that as a first step to healing the breach the two communities must acknowledge and discuss their profound differences and moral commitments Only then can they forge a path forward together

Dear Friends Jacob Pressman,2002 Presents selected sermons out of ca 4 000 which Rabbi Pressman delivered from the late 1930s in various U S Conservative and Reform synagogues Topics touched on in these sermons include the Holocaust the Warsaw ghetto uprising the rescue of Jews in Denmark in 1943 antisemitism throughout the ages political trials with anti Jewish overtones in postwar Eastern Europe Black Jewish alienation in the USA and anti Israeli terrorism
