

STABLE HEARTS Est. 2012

Mental Health and Wellness Group

We understand the mental health sector in Queensland faces a significant gap in accessible, effective therapy solutions, particularly in Equine Assisted Growth and Learning. If you are on a waitlist or interested in Equine Assisted Therapy, we can help. Stable Hearts offers clinically based, trauma-informed support for children and adults with wellness challenges triggered by, but not limited to, C-PTSD and PTSD, Grief/Loss, Anxiety, and Youth/Adult recovery programmes. Qualified and experienced Counsellors and MHW (Mental Health and Wellness Educators) facilitate our programmes.

A BIT ABOUT THE STABLE HEARTS FAMILY AND CIRCUMSTANCES

Established in New Zealand in 2012, Stable Hearts collaborated with NZ government support agencies, families, schools, and adult recovery enterprises in Hawke's Bay. In February 2023, we endured the full impact of Cyclone Gabrielle, which caused our property to be consumed by a river that breached its banks, leading to the tragic drowning of our beautiful herd of 11 horses. Our home and equestrian facilities were subsequently destroyed beyond repair.

In the wake of this disaster, we took several months to support existing clients and families through the initial grief process while also managing our own recovery. Given the circumstances, it felt like the right time for us to join the majority of our family who have lived and worked in Queensland, for more than 10 years.

To the Queensland Equestrian Community, especially Equestrian Spirit (our first Stable Hearts EquiCentre™, Logan Village) and all our family and friends near and far, thank you for supporting Stable Hearts resurgence.

Stable Hearts:

Head & Heart : A Journey Inward Izzy Is Real,2021-03-31 This is a book dedicated to growth and the human experience Creativity is most often found in inspiration the art of articulating and sharing can only truly be found in vulnerability This book is a journal of my journey into adulthood In between each page resides my heart and mind I hope this gives you something to think about but more importantly I hope this reminds you that growth is never fully granted without tension and tension is never absent from discomfort

The Listening Heart Judy Gordon Morrow,2013-12-09 More Life is full to overflowing but we crave an illusive more Via social networking airwaves and TV our culture tells us to strive for more stuff more activities more adventure you name it Yet we are often left unfulfilled and wanting Empty even With so many demands for our attention it is difficult to quiet our minds long enough to hear the still small voice of our loving Father and to listen to the One who desires to bring us so much more than the noise of everyday life Judy Gordon Morrow discovered the more when her world was turned upside down and she knelt before God to seek Him and ask for His help More than a decade ago in tear stained notebooks she began to pen God s responses to her desperate prayers Now in The Listening Heart Judy invites you to spend a year hearing from the God Who Speaks the God who wants to speak to you Each daily devotion echoes the Father s love and care for you offering hope comfort encouragement and more a rich closeness with God that will satisfy the longings of your heart
