

# Employee Induction Procedure

## 1 *Pre-induction phase* Preparation

Organize all necessary paperwork, such as contracts, before the employee's first day. Prepare their workspace with essential supplies and technology and assemble a welcome kit with company information and swag.

## 2 *Day 1* Welcome & introduction

Start with a company-wide welcome email. Personally introduce the new hire to their immediate team and give a guided workplace tour. Ensure all administrative tasks are completed and introduce them to important online resources.

## 3 *End of week 1* Integration

Verify the completion of all administrative forms and introduce performance management discussions, setting clear expectations and goals. Provide training specific to the role and introduce the new hire to their designated mentor or buddy for ongoing support.

## 4 *End of induction* Transition to onboarding

Gather feedback on the induction process through a meeting or survey and outline the upcoming onboarding steps, detailing the expectations and any scheduled training to ensure a smooth continuation into their role.
