Environmental impacts and potential of the sharing economy John Magne

Skjelvik, Anne Maren Erlandsen, Oscar Haavardsholm, 2017-10-19 The various sharing initiatives seen in the Nordic countries over the last years within transportation housing accommodation sharing renting of smaller capital goods and personal services could yield considerable benefits for consumers due to better quality and or lower prices of the services They also have a potential for emissions reductions of CO2 and local pollutants However savings from lower prices could lead to increased emissions from increased demand of the services particularly transport and increased spending on other goods and services Depending on how consumers spend their savings these changes could partly wholly or more than offset the initial emission reductions The impacts on overall CO2 emissions depend on whether the emissions are taxed part of the emissions trading system EU ETS or not regulated at all

Digital Entrepreneurship and the Sharing Economy Evgueni

Vinogradov, Birgit Leick, Djamchid Assadi, 2021-07-15 The digital and increasingly digitised world is shaped by the interplay of new technological opportunities and ubiquitous societal trends Both lead to drastic changes facing artificial intelligence AI cryptocurrencies and block chain technologies internet of things technology based surveillance and other disruptive innovations These developments facilitate the rise of the sharing economy and open for a variety of new entrepreneurial opportunities that businesses can take up The novel entrepreneurial opportunities however imply a paradigmatic shift in the understanding of entrepreneurship This book combines digital entrepreneurship with the sharing economy It presents cutting edge research for scholars and practitioners interested in either one of the topics digital entrepreneurship or sharing

economy or their connection The book addresses three major ways to become entrepreneurial in the sharing economy digital entrepreneurship through creating novel sharing economy platforms technology entrepreneurship through the exploitation of sharing economy platforms and business model innovation or business model change influenced by the sharing economy The book also highlights governance questions on digital entrepreneurship in the sharing economy which are highly relevant for businesses the economy and society The book will be of interested to researchers academics and students in the field of business and entrepreneurship with a special focus on digital entrepreneurship
