## **The Communicators Commentary:**

*The Communicator's Commentary* Mark D. Roberts, 1993 Ezra and Nehemiah address issues that make the front pages of our newspapers and they speak to the yearnings of our hearts This is why the author of this volume Dr Mark Roberts enthusiastically encourages Christian communicators to explore these somewhat obscure Old Testament texts For much the same reason the author believes modern pastors and Bible students can benefit from careful study in the often maligned book of Esther He emphasizes the book s contemporary relevance stating Esther encourages us to grapple with pressing moral issues in light of God s wisdom As a pastor with a passion for communicating God s truths to young people and to the unchurched in our world Dr Roberts shares his personal success in using the books of Ezra Nehemiah and Esther to address contemporary needs Not only is this commentary well written and carefully researched but as an added plus Dr Roberts deep faith and his dynamic relationship with Christ shine through every page As Dr Lloyd Ogilvie says in the editor s preface the author of this fine volume is vulnerable open and honest about how the Scriptures he explains have impacted his own life Marked by the excellence you have come to expect in the Communicator s Commentary series this latest volume wrestles with difficult questions such as the rightful place of Esther in the canon and the puzzling roles of Sheshbazzar and Zerubbabel provides a wide range of quotations and anecdotes from modern and classical sources to help us communicate God s message today and offers balance of exegetical historical and literary analysis along with penetrating applications of the truths reflected in these texts As communicators Dr Ogilvie says we all long for those magnificent moments in our preparation when we are gripped with an inspired insight into a passage of Scripture that prompts us to exclaim that will preach We are filled with excitement and enthusiasm to share what we ve discovered This is exactly what will happen as you study this commentary It is power packed and brimming over with new insight into familiar passages

Prophetism from Scripture to Practice Daniel Nii Aboagye Aryeh,2025-12-12 This book critically examines the relationship between prophetic practices in the Bible and contemporary prophetism in African Christianity Pentecostalism continues to evolve across Africa with its beliefs and practices mimicking the older and well established Christian denominations along with the emergence of newer versions of prophetism or neo prophetism The contributions analyse the theological underpinnings of Pentecostal prophetism and evaluate prophets claims that their practices align with biblical precedents With careful exegesis of relevant biblical passages the book considers the degree to which modern prophetic practices comply with biblical stipulations It provides insights in particular from Ghana Nigeria and Haiti and will be of interest to scholars of African Christianity theology and biblical studies *The Navy Chaplain* ,1990 **A Faith Worth Living** Chuck Queen,2011-03-03 What does a Christianity constructed upon and pervaded by a theology of God s unconditional love look like Aimed at a wide audience A Faith Worth Living provides one portrait Chuck Queen weaves together biblical interpretations theological reflections and spiritual observations drawn from stories movies literature and common life experiences in his argument for an inclusive Christianity In a simple though scholarly informed style he addresses Christians students of religion and spiritual seekers Key elements of the presentation include a transformative faith holistic and non dualistic God s dream for the world kingdom theology Jesus nonviolent atonement the church as a kingdom community universal salvation judgment and the cosmic Christ acceptance of other religious traditions and the dynamics of a radical discipleship to the way of Jesus *Searching for the True Bottom Line* Carl McConchie,2021-02-09 People write books They write books lifting up issues that they believe are vitally important for living a successful Christian life The problem is writers of the New Testament Epistles like Paul Peter James and John never mention these matters How can something be so important to some modern day writers and not even be mentioned in the Epistles This is a book about exhortations commandments and admonitions It is a matter of what is actually exhorted in the Epistles and what is not It is the writer s hope that people will find freedom and peace with regard to the several matters exhaustively considered in these pages matters such as exorcism of demons fasting and Sabbath keeping Bottom line truth is to be found in the New Testament Epistles with regard to instruction for living the normal Christian life **Christianity Today** ,1988 *The*

*Gospel of Matthew* John Nolland, 2005-11-01 Having devoted the past ten years of his life to research for this major new work John Nolland gives us a commentary on the Gospel of Matthew that engages with a notable range of Matthean scholarship and offers fresh interpretations of the dominant Gospel in the history of the church Without neglecting the Gospel's sources or historical background Nolland places his central focus on the content and method of Matthew's story His work explores Matthew's narrative technique and the inner logic of the unfolding text giving full weight to the Jewish character of the book and its differences from Mark's presentation of parallel material While finding it unlikely that the apostle Matthew himself composed the book Nolland does argue that Matthew's Gospel reflects the historical ministry of Jesus with considerable accuracy and he brings to the table new evidence for an early date of composition Including accurate translations based on the latest Greek text detailed verse by verse comments thorough bibliographies for each section and an array of insightful critical approaches Nolland's Gospel of Matthew will stimulate students preachers and scholars seeking to understand more fully Matthew's presentation of the gospel narrative [Species Link](#), 1994 *The genius of the gospel; a homiletical commentary on the Gospel of st.
