*Faith and Treason* Antonia Fraser,2014-04-30 In England November 5 is Guy Fawkes Day when fireworks displays commemorate the shocking moment in 1605 when government authorities uncovered a secret plan to blow up the House of Parliament and King James I along with it A group of English Catholics seeking to unseat the king and reintroduce Catholicism as the state religion daringly placed thirty six barrels of gunpowder in a cellar under the Palace of Westminster Their aim was to ignite the gunpowder at the opening of the Parliamentary session Though the charismatic Catholic Robert Catesby was the group s leader it was the devout Guy Fawkes who emerged as its most famous member as he was the one who was captured and who revealed under torture the names of his fellow plotters In the aftermath of their arrests conditions grew worse for English Catholics as legal penalties against them were stiffened and public sentiment became rabidly intolerant In a narrative that reads like a gripping detective story Antonia Fraser has untangled the web of religion politics and personalities that surrounded that fateful night of November 5 And in examining the lengths to which individuals will go for their faith she finds in this long ago event a reflection of the religion inspired terrorism that has produced gunpowder plots of our own time
